TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees present their Annual Report together with the Financial Statements and Auditor's Report of the Charitable Company for the year 1 September 2022 to 31 August 2023. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' Report and Strategic Report under company law.

The Academy Trust operates an Academy for pupils aged 11 to 16 serving a catchment area in Hinckley. It has a pupil capacity of 925 and had a roll of 921 in the School census on 1 October 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy Trust is a Company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust. The Trustees of Redmoor Academy are also the Directors of the Charitable Company for the purposes of company law. The Charitable Company operates as Redmoor Academy.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on pages 1 and 2.

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

Trustees' benefit from indemnity insurance to cover the liability of the Trustees which by virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy Trust. The insurance covers up to the amount of £5,000,000. The cost of this insurance in the year was £50 (2022: £50).

Method of Recruitment and Appointment or Election of Trustees

Recruitment of Trustees is outlined in the Memorandum of Articles. The Members may appoint up to 4 (four) Trustees. The Trustees may co-opt up to 4 (four) Trustees. The appointment of Staff Trustees up to 3 (three) is via a process of a staff ballot. Appointment of Parent Trustees 5 (up to five) is made via a parent ballot. The Academy Trust's Principal is a Trustee by right.

Policies and Procedures Adopted for the Induction and Training of Trustees

Trustee training is through a menu of extensive specialised training available via the Leicestershire County Council's 'Governor Development Services' which the Academy Trust buys into on an annual basis. They include training courses tailored specifically for new Trustees. In order to understand their roles meetings with the Chair of Trustees and the Principal are a requirement for all new Trustees, and if required, meetings are on offer to meet the Business Manager. New Trustees also benefit from an internal "buddy" procedure.

Organisational Structure

The Academy Trust has at present 3 Members who have the strategic role monitoring the current and future direction of the Academy Trust and also monitor the work of the full Board of Trustees. They have a responsibility to produce an Annual Report to the Auditor and to recommend to the Full Board of Trustees the allocation of the annual budget received from the Education and Skills Funding Agency. The Trustees' role is to robustly hold senior leaders to account for all aspects of the Academy Trust's performance.

Once the recommendations have been agreed they are then presented to the Full Board of Trustees to be ratified.

Remuneration Committee

Meets when recommendations from the Principal regarding pay need to be considered and recommendations made by this committee need to be ratified by all Trustees. Pay recommendations follow a robust and successful performance management process. Senior Leadership Team members (Key Management Personnel) are performance managed by the Principal and recommendations are based on this. The Principal is not involved in any decision-making process in respect of his own pay.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

5. Leadership & Governance (Overall SLT lead MN. Governor link Chris Kealey)		
Redmoor 50 Goal:	Leadership at all levels is valued, recognised and developed. It is visible and tangible when in the Academy, is demonstrated across roles and creates a culture that engenders pride. Leaders are encouraged and developed at all stages of their career regardless of role and work collaboratively towards achieving a united vision. Leaders are supported by a strong Board of Trustees that holds leaders to account for their decisions and actions whilst supporting the development of the Academy Trust. Governance is visible to staff through their alignment with SLT roles and consists of a range of expertise that delivers diverse leadership.	
Objectives 2022/2023:	Governance Structure To implement a revised structure, schemes of delegation and terms of reference for the governance of Redmoor Academy, which leads to more effective support and challenge for Academy Trust leaders	Recruitment & Succession Board of Trustees is at full capacity with skilled personnel in key roles and successors identified and trained.

Successful achievement of these objectives is measured, amongst other things, by GCSE outcomes, which, in 2022/2023, were awarded based on GCSE examinations for the second time since 2019. Our Progress 8 score in 2023 was +0.19. This compares with +0.01 in 2018, +0.03 in 2019 and +0.19 in 2022. Other outcome measures alongside less quantitative measures, clearly demonstrate the effectiveness of the strategic improvements led in this year, continuing to perform at an Ofsted grading of "Good" across all areas, awarded in early September 2021.

Public Benefit

In setting our objectives and planning out activities, the Trustees have considered the Charity Commission's general guidance on public benefit and in particular to the supplementary public benefit guidance on advancing education.

STRATEGIC REPORT

Achievements and Performance

The Academy Trust is responsible for the achievements and performance of Redmoor Academy. With the Senior Management Team, the Trustees determine the strategic vision and ethos of the Academy Trust. They hold the Academy Trust to account – challenging and monitoring performance particularly the achievement of students, the quality of teaching, behaviour and safety, quality of leadership and management and ensuring financial probity and acting as a responsible employer.

Redmoor Academy is an 11-16 Academy serving a very diverse catchment area. The Principal had been in place since September 2017 and the leadership of the Academy Trust is stable, which has contributed to a period of sustained improvement. The Academy Trust is hugely over-subscribed every year, with double the number of applications than spaces available.

REDMOOR ACADEMY
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

A return to examinations post pandemic in 2022 was challenging for students who had experienced 3 years of disruption but the Academy Trust worked hard to ensure a Progress 8 score of +0.19 and this extremely positive Progress 8 score was achieved again in 2023 with a cohort of students of very similar prior attainment. This included very positive outcomes for boys, Pupil Premium students and those with SEND, with SEND students achieving almost in line with Non-SEND and PP students achieving far higher than similar students nationally.

Key Performance Indicators

The Ofsted outcome for Redmoor Academy changed from 'Requirement Improvement' following an inspection in early September 2021 where the Academy Trust was judged 'Good' in every category. Student outcomes demonstrate that Redmoor Academy continues to perform above other "Good" schools nationally.

Attendance of students is slightly above national averages (Academy Trust – 91.5%/ National – 90%) although lower than pre-pandemic (95%) and exclusion rates remain significantly below national averages.

Student recruitment remains very positive with Redmoor Academy massively oversubscribed again for the Academic year 2022/2023, 2023/2024 and again for 2024/2025.

Financial reports and budget updates and projections presented to the Finance and General Purpose Committee have shown that the Academy Trust has continued to stay within its budget and a carry forward figure was achieved.

Going Concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

It is worth noting the impact of the rise in the cost of energy alongside unfunded pay increases for teaching and non-teaching staff. The impact of these can be felt in staffing, curriculum and site development decisions that are currently being made which are compromising the educational provision on offer to all students and the support available for those with additional needs. Whilst it has not significantly impacted on the Academy Trust's financial sustainability currently, we have concerns surrounding the extra costs incurred which are only manageable by using the reserves accumulated. This is not sustainable in the long term.

FINANCIAL REVIEW

The surplus on the pension reserve relates to the non-teaching staff pension scheme where, unlike the Teachers' Pension Scheme, separate assets are held to fund future liabilities as discussed in note 29.

The restricted fund will be spent in accordance with the terms of the particular funds. Unrestricted funds are for use on the general purposes of the Academy Trust, at the discretion of the Trustees, and represent less than one month's worth of Academy Trust expenditure. The aim of the Trustees is to increase this reserve to protect against future unforeseen events.

Our funding is sourced from the ESFA and as such is spent to achieve our one main objective: to provide an excellent education for our students.

REDMOOR ACADEMY
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

Reserves Policy

At 31 August 2023 the total funds comprised:

Unrestricted		£173,000
Restricted:	Fixed asset funds	£7,534,000
	Pension reserve	-
	Other	£778,000
		<u>£8,485,000</u>

The policy of the Academy Trust is to carry forward where possible a prudent level of resources designed to meet the long-term cyclical needs of renewal and any other foreseen circumstances, subject to the constraint that the level of resources does not exceed the level permitted by the Education and Skills Funding Agency. The Academy Trust believes that it should aim to establish a prudent level of free reserves of around 5% of its normal annual income.

Investment Policy

To mitigate against the underfunding year on year due to increased numbers Trustees have adopted a policy that the Academy Trust would not consider Investments at this stage but retain a contingency to take us through uncharted waters.

Principal Risks and Uncertainties

The principal risks facing the Academy Trust are addressed in the Business Continuity Plan and include:

- strategic and reputational risks;
- operational risks;
- compliance risks; and
- financial risks.

Control measures are in place to manage and identify risks, the key risks being that of reduced pupil numbers, that would affect the level of ESFA funding and potential future Government cuts. Active promotion of the Academy Trust is robustly maintained and through regular reports to the Finance and General Purpose Committee the budget is monitored carefully over a 3-year projected period to manage any reduction in funding.

The principal risks facing the Academy Trust are:

- reputational risk – The principal reputational risks are adverse publicity about the Academy Trust caused by a failure of members of the Academy Trust to follow established policy, procedures or practice. The risk is mitigated through a robust adherence to and monitoring of the Academy Trust's policies, procedures and practices. In addition, the Academy Trust proactively nurtures good relationships with all stakeholders, including parents and the local community;

REDMOOR ACADEMY
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

- performance risk – The principal performance risks are that the students do not meet or achieve expected progress targets in public examinations (GCSEs) or that the Academy Trust doesn't achieve a "Good" grading or better by Ofsted. These circumstances impacted upon the Academy Trust in the Academic year 2017-18. Swift action by the Academy Trust to recruit experienced Senior Leaders mitigated against the negative impact this could have had and the Academy Trust successfully navigated itself through this risk (see GCSE results 2018-2023 and Ofsted rating Sept. 2021). Further monitoring and support, in addition to Ofsted in November 2017 & September 2021, was through an Education Advisor inspector from the Regional Schools Commissioner and the Leicestershire RSC advisor, who both recognised the improvements in place and the capacity of the leadership team to drive these through. The risk of this happening again to such an extent is mitigated through the robust monitoring of student performance, tracking of student achievement and staff performance, through Performance Management, the production of an accurate and up-to-date SEF and Improvement Plans. Identified actual or potential underperformance will result in swift and appropriate action planning to correct the situation;
- financial risk – The principal financial risks are a reduction in pupil numbers, reduction in central Government funding, unbudgeted increase in teaching or support staff costs, or unbudgeted major capital repairs. The financial risks are mitigated by establishing high demand for places at the Academy Trust, sound financial planning based on accurate information from central Government. Increasing income streams by trading expertise locally and nationally and a planned and costed programme of building refurbishment. Insurance against loss options are considered and adopted as appropriate; and
- risks associated with personnel - The risks associated with personnel are long term absences, the failure to recruit or retain staff and staff unable to undertake responsibilities to the required standard. The personnel risks are mitigated by strict adherence to all HR policies, practice and procedures, a focus on succession planning, high quality induction programmes and high-quality appraisal processes and CPD.

The Academy Trust practices through its Board, namely the Board of Trustees and the constituted sub-committees, risk management principles. Any major risks highlighted at any sub-committee are brought to the main Board of Trustees with proposed mitigating actions and they continue to be reported until the risk is adequately mitigated.

The Board of Trustees accepts managed risk as an inevitable part of its operations but maintains an objective not to run unacceptable levels of risk in any area. The subjective nature of this process requires major risks to be resolved by the Board of Trustees collectively, whilst more minor risks are dealt with by Senior Leadership Team.

FUNDRAISING

The Academy Trust does not use any external fundraisers. All fundraising undertaken during the year was monitored by the Trustees.

Redmoor Academy conducted fundraising for the following charities:

Air Ambulance £101.00;
Loros £101.81;
Salvation Army £101.00;
Cancer Research £101.81
British Heart Foundation £101.81;
Macmillan £358.17;
Children in need £752.70; and
Comic Relief £617.35.

PLANS FOR FUTURE PERIODS

In conjunction with Leicestershire School Places Planning department, a need for additional secondary places in the local area has been identified. Redmoor Academy was approached to explore expanding to meet the needs of a growing community. During 2022-23, the precise needs, resourcing and staffing implications and funding demands were explored, presented to Trustees and Members (along with Leicestershire's cabinet) and an expansion plan agreed.

Redmoor Academy will increase its PAN from 185 to 224 and a growth plan for building and staffing has been developed. At this point in time (Autumn Term 2023), plans have been agreed by the Academy Trust and LA and planning permission is being sought.

Maintaining the current demand for places is crucial in light of the expansion but current applications for 2024-25 demonstrate we will continue to be oversubscribed even at a higher PAN and therefore this risk is deemed minimal. Therefore, continued improvement in student provision and outcomes remains the focus.

In line with local and national direction of travel, the Academy Trust continues to explore the benefits and risks of Multi-Academy Trust membership.

Trustees and staff have contributed to the development of a plan for the next 5 years called "Redmoor 50" which communicates our vision for the organisation we want to be as we approach the 50th anniversary of the School.

FUNDS HELD AS CUSTODIAN TRUSTEE ON BEHALF OF OTHERS

The Academy Trust is currently holding funds on behalf of Hinckley and Bosworth Education Partnership. The balance of these funds at the year-end is £369,229. The balance is made up of funding from the Local Authority, income from other schools, Special Needs Funding, Social Care and other Grants. The funds are held for the purposes of providing educational services for students who cannot attend Academy Trust due to risk of exclusion.

AUDITOR

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Trustees' Report, incorporating a Strategic Report, was approved by order of the Board of Trustees, as the Company Directors, on . 20.December.....2023 and signed on the Board's behalf by:

GOVERNANCE STATEMENT
FOR THE YEAR ENDED 31 AUGUST 2023

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that the Redmoor Academy has an effective system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Principal of the Academy Trust, as Accounting Officer, for ensuring that financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between the Redmoor Academy and the Secretary of State for Education. The Principal is also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

As Trustees, we have reviewed and taken account of the guidance in the DfE Academy Trust Handbook and competency framework for governance. The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities.

Governance

In our previous report, we advised that Trustees had agreed to modernise the Academy Trust Scheme of Delegation in order to ensure that this continued to reflect good practice advice. The new Scheme was adopted in with agreement and support of Members at the Annual General Meeting of the Academy Trust on 22 September 2022. The Scheme significantly revised the previous governance arrangements of the Academy Trust and is in three parts:

Part 1: General principles governing the Scheme including reserved matters for the Board of Trustees;

Part 2: Committee Constitutions and Terms of Reference: this introduced a new Audit and Risk Committee; and

Part 3: Policies – providing a streamlined assurance approach to the system of annual Policy review.

The Scheme also introduced a system of Special General Meetings. These include the AGM (held annually in September) and include two other meetings at which Trustees report direct to Members on educational developments, Academy Trust improvement, finance, governance and general Academy Trust activities. In this way, Members are better able to engage with the Academy Trust and hold the Board of Trustees to account for the effective performance. Governance and adherence to the values and objectives of the Academy Trust as set out in the Articles.

Trustees (and Members) are satisfied that the revised Scheme has served Academy Trust Governance well by improving accountability, clarifying the respective roles of Members and Trustees, improving engagement between Members and Trustees and enhancing the role of the Board of Trustees, which is now supported by the Audit and Risk Committee. The impact of this has been to improve the level of scrutiny of Academy Trust activities and governance and facilitate more effective Board of Trustees meetings: Trustees now aim to meet six times each year rather than the 12 meetings each year previously required. They are confident that these revised arrangements enabled them fully to discharge their obligations and provided an effective framework of robust challenge and interrogation, the focus of meetings being to ensure clarity of vision, ethos and strategic direction and holding Executive leaders to account for the educational performance of the Academy Trust and their pupils, performance management of staff and ensuring effective financial management.

During 2022/2023 the Board of Trustees held a special meeting to consider the implications of joining a Multi Academy Trust. No commitment or decision on this possibility has been made, but Trustees, supported by Members, agreed that consideration of the issue was appropriate given the prevailing political and financial environment. This is a theme to which Trustees will return during the 2023/2024 Academic Year. The Board of Trustees is fully committed to engaging with Members on these discussions.

GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

The Board of Trustees was pleased to welcome four new Trustees during the year, as part of their wish to strengthen the Board of Trustees by extending the skills, expertise and experience of the Board of Trustees. The Board of Trustees met on seven occasions when attendance was as follows:

Name	Meetings Attended	Out of a possible
Hugh Clayden (Chair of Trustees)	7	7
Victoria Davison	6	6

Matthew Nicolle (Ex-officio)	7	7

Angela Woodward	2	3

There was one resignation during the year (Angela Woodward) who left the Academy Trust.

Trustees regularly discuss strategic matters and organisational development at Board of Trustee meetings and with Members at the Special General Meetings (SGM) held throughout the year. Examples of this include:

- delivery and occasional variation to the 2022/2023 budget and the development of the budget for the current year (2023/2024);
- appointment of internal auditors and development of an Internal Audit Programme – now within the remit of the Audit and Risk Committee; and
- delivery of the Academy Trust Strategic Plan, for which a new approach was agreed in 2022/2023. Each Governor now has a key role as Strategic LINK Governor for each of the five Themes of the Plan. In this capacity they regularly visit the Academy Trust each term with a view to monitoring progress and verifying the update reports provided to the Full Board of Trustees each term. Trustees Report their findings to the Board of Trustees but also, importantly, to the SGM meetings, and report

The Audit and Risk Committee is now responsible for scrutiny and oversight of the Academy Trust Risk Register, reporting termly to the Board of Trustees which maintains oversight of Academy Trust financial, governance and risk management and policy, including health and safety, child protection and safeguarding and student outcomes. In this way Trustees are provided with assurance as to the appropriate functioning, performance and effectiveness of the Academy Trust. The work of the Board of Trustees during the year has included:

- approval of the statutory accounts;
- review of audited accounts;
- 2023/2024 budget preparation and approval;
- termly review of the management accounts;
- review of Policy in accordance with Part 3 of the Scheme of Delegation;
- oversight of GAG, Reserve pooling and the Reserves Plan, the capital strategy and financial regulations;
- strategic oversight and scrutiny of the Academy Trust Strategic Plan;
- oversight and receipt of reports from Audit and Risk Committee arising from the Internal Audit Plan;
- oversight of the updated Risk Register, Risk Management Plan and Business Continuity Plan;
- scrutiny of GDPR compliance;
- review of examination outcomes and projections; and
- regular oversight of Safeguarding and Special Educational Needs provision.

Conflicts of Interest

- Each staff member completes a register of interests annually;
- Governance agenda highlight any conflicts of interests which are addressed at the start of each meeting; and
- The Academy Trust does not own or control any subsidiaries, joint ventures or associates.

Review of Value for Money

As Accounting Officer, the Principal has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

REDMOOR ACADEMY
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

The Accounting Officer considers how the Academy Trust uses its resources and how it has provided good value for money during each Academic year and reports to the Full Board of Trustees where value for money can be improved, including the use of benchmarking data or by using a framework where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by securing the following:

- review of Academy Trust staffing structure including the Senior Management Team; and
- continued drive for procurement rationalisation.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Redmoor Academy for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the significant risks to the Academy Trust, which have been in place during the financial year and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by Trustees.

GOVERNANCE STATEMENT (continued)
FOR THE YEAR ENDED 31 AUGUST 2023

The Risk and Control Framework

The Academy Trust system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and termly financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by Trustees of reports which indicate financial performance against forecast and of major purchasing plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- review and monitoring of the main risks reflected in the risk register which includes:
 - safeguarding;
 - maintaining Academic standards;
 - Cyber Security and UK GDPR;
 - political change.
 - financial management;
 - governance;
 - effective leadership; and
 - health and safety.

Following resignation of the Academy Trust Internal Auditor in the Spring of 2022, (Leicestershire County Council Traded Services who ceased to offer services to the MATs), Trustees appointed new Internal Auditors (Duncan Toplis) who now support the Academy Trust. The role of the internal auditor, whose reports are submitted to the Audit and Risk Committee, includes giving advice on financial matters and performing a range of checks on Academy Trust financial systems. The checks carried out during the year include:

- UK GDPR;
- Payroll;
- Financial controls; and
- Budgeting.

Review of Effectiveness

As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year his review has been informed by:

- the work of the internal auditor;
- the work of the external auditor; and
- the work of the School Business Manager who has responsibility for development and maintenance of the internal control framework.

The Accounting Officer has been advised of the review of the system of internal control conducted by the internal Auditor and was pleased to note that no significant weaknesses were identified.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees (who are also the Governors of Redmoor Academy and are also the Directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
REDMOOR ACADEMY**

Opinion

We have audited the financial statements of Redmoor Academy (the 'Academy Trust') for the year ended 31 August 2023 which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy Trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
REDMOOR ACADEMY (CONTINUED)**

Other information

The other information comprises the information included in the Trustees' Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report and the Directors' Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
REDMOOR ACADEMY (CONTINUED)**

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 20, the Trustees (who are also the Directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- obtaining and understanding of the legal and regulatory frameworks that the Academy Trust operates in, focusing on those laws and regulations that have a direct effect on the financial statements;
- enquiring of management and Trustees around known or suspected instances of non-compliance of laws and regulations and fraud;
- discussions among the engagement team regarding how and where fraud might occur in the Academy Trust financial statements and any potential indications of fraud;
- reviewing minutes of meetings of those charged with governance; and
- performing audit work in relation to the risk of management override, including testing of journal entries and other adjustments for appropriateness and reviewing accounting estimates for bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' Report and for no other purpose. **INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO REDMOOR
ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 26 June 2023 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Redmoor Academy during the year 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Redmoor Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Redmoor Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Redmoor Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Redmoor Academy's Accounting Officer and the Reporting Accountant

The Accounting Officer is responsible, under the requirements of Redmoor Academy's funding agreement with the Secretary of State for Education dated 30 May 2012 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

REDMOOR ACADEMY

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO REDMOOR
ACADEMY AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

The work undertaken to draw our conclusions includes:

- a review of the objectives and activities of the Academy Trust, with reference to the income streams and other information available to us as auditors of the Academy Trust;
- testing of a sample of grants received and other income streams;
- testing of a sample of payments to suppliers and other third parties;
- testing of a sample of payroll payments to staff;
- evaluating the internal control procedures and reporting lines, and testing as appropriate;
- reviewing the Minutes of the meetings of the Board of Trustees and other evidence made available to us, relevant to our consideration of regularity; and
- consideration of governance issues.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023**

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Redmoor Academy meets the definition of a public benefit entity under FRS 102.

Redmoor Academy is a company limited by guarantee incorporated in England and Wales. The address of the registered office, principal place of operation and registered number are detailed on page 1. The nature of the Academy Trust's operations and principal activity are detailed in the Trustees' Report.

The Financial Statements are prepared in British Pound Sterling (£), the functional and presentational currency, rounded to the nearest £1,000.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

This consideration has taken into account as far as possible, the economic and political climate, and its impact on the Academy Trust, as far as it can be determined, and the Trustees remain satisfied that the going concern principle remains appropriate.

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

REDMOOR ACADEMY
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.3 Income (continued)

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance Sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on raising funds**

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

- **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.5 Tangible fixed assets

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, transfers are made to the restricted fixed asset fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Long leasehold land	- 125 years over the term of the lease
Long leasehold property	- 2% Straight-line
Long leasehold property improvements	- 2% Straight-line
Furniture and fittings	- 10% Straight-line
Plant and machinery	- 20% Straight-line
Computer equipment	- 25% Straight-line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.6 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.8 Liabilities

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.9 Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.10 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 25, TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to net income/(expenditure) are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Where the net valuation is an asset, it is recognised only to the extent that the asset is considered to be recoverable by refund or reduced contribution.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.11 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.12 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

1.14 Agency arrangements

The Academy Trust is the Lead School for the Hinckley and Bosworth Education Partnership (HBEP) and holds funds and distributes them on behalf of HBEP. At the year end the amount of undistributed funds held on behalf of the Partnership is included in other creditors on the Balance Sheet.

2. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

2. Critical accounting estimates and areas of judgement (continued)

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. See note 15 for the carrying amount of tangible fixed assets, and note 1.5 for the useful economic lives for each class of assets.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 25, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement:

The judgements that have had a significant effect on amounts recognised in the Financial Statements are those covering the choice of depreciation policies and asset lives.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

25. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for Academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Leicestershire County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £Nil were payable to the schemes at 31 August 2023 (2022: £87,830) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy);
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million; and
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The latest valuation was released on 27 October 2023. Employer contribution rates will increase by 5% from 23.6% to 28.6% with effect from 1 April 2024.

25. Pension commitments (continued)

The employer's pension costs paid to TPS in the year amounted to £621,000 (2022: £531,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate Trustee-administered funds. The total contribution made for the year ended 31 August 2023 was £420,000 (2022: £342,000), of which employer's contributions totalled £330,000 (2022: £273,000) and employees' contributions totalled £90,000 (2022: £69,000). The agreed contribution rates for future years are 22.2% for employers and 5.5% -12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

The Academy Trust expects to contribute £350,000 to its defined benefit pension scheme in 2024.

The actuarial reports in terms of the LGPS pension schemes suggest a surplus of assets over liabilities of £540,000. In accordance with FRS102, a pension scheme asset is only recognised to the extent that it is recoverable. As the Academy Trust cannot demonstrate that this asset is recoverable via a cash payment or reduction in future premiums it has not been recognised in the primary statements. A £Nil position has been reflected.
