

September 2025

Dear Parent/Carer,

We will be holding a Year 11 'Settling In' Tutor Evening and Careers Fair on **Thursday 9th October 2025** from 3:30pm until 6:30pm. This provides an opportunity for you to attend a short meeting in school with your child's form tutor to discuss how your child has settled into the new academic year. You will also have the opportunity to meet with local post-16 providers. To name a few, we have The Hinckley 6th Form, North Warwickshire & South Leicestershire College, King Edward VI College, Bosworth Academy, local businesses, apprenticeship providers and TeenHealth.

At this year's Tutor Evening, your child's tutor will focus on discussing **attitude to learning**. This is measured with four scores from A to D for each subject, covering **classwork and homework effort, behaviour, and organisation**. If your child receives a C or D in any category, the subject teacher will provide a comment explaining what improvement is needed.

Alongside this information, you will also be provided with updated information about your child's progress, with three grades provided for each subject as follows:

- **Target Grade:** the realistic but ambitious target that your child should aim for as a minimum.
- **Working At Grade:** the level at which your child is currently working based on GCSE style assessments.
- **Teacher Projected Grade:** the teacher's projection of the final grade your child is most likely to achieve.

For any questions about these new grades, please contact the specific teacher directly via e-mail. You'll have an opportunity to speak with subject teachers later in the year, but in the meantime, you can find a full staff directory on the school's website.

Attending the Tutor Evening is a wonderful opportunity to actively participate in your child's educational journey. During the evening you will celebrate your child's successes and hear about what they are doing well, both in their studies and in their personal growth. By working together, we can strengthen the partnership between school and home to provide the best possible support for your child's success.

The Tutor Evening is the right time to raise any queries or concerns you may have about your child. In addition to your child's tutor, other key members of staff will be available, with appointment slots bookable via SchoolCloud:

- **Miss Coleburne** (Year 11 Manager)
- **Miss Phillips** (Assistant Year Manager)
- **A member of our SEND department**

The Pupil Premium team will also be available throughout the evening, with no appointment necessary.

Even though this is an in-school event, appointment times for tutors must be booked via the SchoolCloud system, with **booking opening on Monday 22nd September**. Appointment times can be booked via this link, which you will also find on the school website's home page: <https://redmooracademy.schoolcloud.co.uk>

If you are unable to book an appointment through SchoolCloud, please contact the school office as you may need to provide or update your email address or phone number. Our team can also schedule the consultation for you.

If you need access arrangements, please let us know how we can make this easier for you to attend.

We look forward to seeing you in school on Thursday 9th October.

Yours faithfully,

*F Matthews*

Mr F Matthews  
Associate Assistant Vice Principal
