

Year 10 Message

Dear Parents/Carers,

We hope the beginning of the new school year, and Key Stage 4 study, has started positively for your child. We know that there will be many students who wish to obtain revision guides to use throughout these next two years of study and you can find a list of our recommended texts below. We appreciate that the list is long, but it is important to note that only some resources have been highlighted as most important purchases (those that we advise will add most value to what they receive in school for students' independent studies). Therefore, we suggest you check the list carefully and consider what might be affordable at this point in your child's Key Stage 4 journey, starting with the highly recommended texts first.

Students in receipt of the Pupil Premium will have texts from core subjects (English and Maths flashcards) provided. These are given to students for the duration of their courses and should be returned at the end of year 11.

To complement these resources, many free guides will be produced in-house and most subjects will also use the wonderful GCSEPod revision videos to support students' revision. If you are in any doubt about what is needed, please encourage your child to clarify queries with their subject teachers directly.

All texts and resources are now available to order via our ParentMail shop. We are pleased to be able to negotiate school discounts, so the prices you see are often the most competitive on the market. However, if you wish to source your own resources, please use the ISBN codes provided.

Please place your order by the latest date of **Friday 10th October at 9am**. We will aim to have texts in school and distributed to students as quickly as possible after this deadline has passed. After this time, the option to buy from us directly will be removed as the discounts are only available for bulk orders which we place only once annually.

If you have any questions, please don't hesitate to contact me.

Best wishes,

D. Jarvis

Year 11 Message

Dear Parents and Carers

We hope the beginning of the new school year, and the final year at Redmoor, has started positively for your child. We know that many of our Year 11 students are already starting to think ahead to November's mock examination period. In PSHCE, students have been reflecting upon the importance of daily study and on their time management skills and over the coming weeks we will be launching the mock exam countdown and reviewing some effective revision strategies.

Therefore we are once again opening up our revision guide shop on ParentMail so that you have another chance to purchase any recommended guides you didn't order last year. Please find the list of resources attached below.

We appreciate that the list is long - but it is important to note that this is **unchanged from the last academic year** and that only some resources have been highlighted as highly recommended (those we advise are most crucial for students' independent studies). We therefore suggest you check the list carefully and consider whether you need to purchase anything additional now that your child is in Year 11.

Students in receipt of the Pupil Premium will have had all of the essential texts provided last year.

To complement these resources, many free guides will be produced in-house and most subjects will also use the wonderful GCSEPod revision videos to support students' revision. If you are in any doubt about what is needed, please encourage your child to clarify queries with their subject teachers directly.

All texts and resources are now available to order via our ParentMail shop. We are pleased to be able to negotiate school discounts, so the prices you see are often the most competitive on the market. However, if you wish to source your own resources, please use the ISBN codes provided.

Please place your order by the latest date of **Friday 10th October at 9am..** We will aim to have texts in school and distributed to students as quickly as possible after this deadline has passed. After this time, the option to buy from us directly will be removed as the discounts are only available for bulk orders which we place only once annually.

If you have any questions, please don't hesitate to contact me.

Best wishes,

D. Jarvis
