Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

5. Advancing equality of opportunity

- As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:
 - Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have.
 - Taking steps to meet the particular needs of people who have a particular characteristic.
 - Encouraging people who have a particular characteristic to participate fully in any activities.
- In fulfilling this aspect of the duty, the school will:
 - Publish attainment data each academic year showing how pupils with different characteristics are performing.
 - Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information.
 - Make evidence available identifying improvements for specific groups.
 - Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils.

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures.

Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute.

Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community.
