Dear Colleagues

Consultation on Potential Trust Merger

We hope you are well and would like to firstly take the opportunity to thank you for your continued support as we progress towards Easter.

We are writing to outline an exciting opportunity for both **Shires MAT** and **Endeavour Schools Trust**. Our two trusts are considering a merger to help benefit the educational offer locally for children and families. In addition to benefits for pupils we believe there will be considerable advantages for staff through CPD, new pathways, additional responsibilities and the benefits of collaboration.

The potential merger will establish a trust of over 600 staff and 4,500 pupils across 11 schools. We believe this presents a really positive opportunity for our schools, students and communities. By increasing our collaboration and shared capabilities, we will be able to offer enhanced professional development opportunities to staff, through increased best practice and resource sharing and training, helping to retain and recruit high-quality staff. Similarly, we believe it will enhance our school improvement capability and will help us to drive further educational excellence in our classrooms, so we can deliver the very best possible education to students.

As the views and feedback of our school communities are hugely important to us, we have developed a consultation through which you can express your views about the proposed merger. We are eager to hear your thoughts and perspectives as part of this process. The consultation will run from **Thursday 20th March 2025 – Friday 2nd May 2025** and full details are available online at [Merger Consultation | Shires MAT](#) We encourage you to respond to the consultation and look forward to hearing your feedback. A merger feedback form is available here <https://forms.office.com/e/Syxvfz5U8v> .

To support this process, we will ensure that notes/minutes from working group meetings are shared with all members, trustees and governors. In addition, if you would like further information, please do feel free to attend one of the public forum meetings.

In addition, there will be further staff and public events as follows.

However, should you have any further questions please do consider attending one of the sessions or reach out directly so we can help. Please contact merger@endeavourschools.org

Whilst these proposals are only in the early stages, and no final decisions have been made, we remain extremely excited about the potential it will deliver for students, staff and the wider school community alike, and so we hope you too feel enthused about these plans.

In the meantime, we wish you all a successful end to term and would like to thank you all for your ongoing support and collaboration as we explore this exciting opportunity.

Yours sincerely
