

GUIDANCE FOR HOME LEARNING DURING CLASS ISOLATION

While it is regrettable that your child is not able to attend Lister Community School at present, we are pleased that we are able to ensure their education continues.

TIMETABLE

Your child will continue to follow their **REGULAR SCHOOL TIMETABLE** for the duration of their period of isolation. This means that they must be ready to begin their learning at **8:30AM** each day, and will finish at **3:00PM**. Further details on the timing of each lesson can be found in the [Virtual Learning Protocols for Students](#) (ATTACHED).

LIVE ONLINE LESSONS

Your child will receive **LIVE ONLINE LESSONS** in **ALL SUBJECTS** via the Google Meet platform.

These live lessons will be of **30 MINUTES DURATION** and will be accompanied by a short **HOME LEARNING ACTIVITY** (set via Go 4 Schools & Google Classroom), to be completed after each lesson.

ATTENDANCE

Attendance at live lessons will be monitored using **GO 4 SCHOOLS**, as will the submission of home learning activities. Any failure to attend a lesson or to submit homework will result in a **CONCERN** being logged on Go 4 Schools.

BEHAVIOUR & EXPECTATIONS

During all live lessons, students are expected to adhere to the **VIRTUAL LEARNING PROTOCOLS** detailed in the document below. These protocols are designed to ensure live lessons run efficiently and effectively, while keeping both staff and students safe online.
