Dear Parent / Carer,

Firstly, a reminder of the key dates and arrangements:

If your child has not yet been tested, we urge you to give your consent and send them in as per the main letter.

Secondly: **please note that the last day of the In-School Provision for the children of Key Workers and the other students who have been coming into school will be Friday 5th March. You need to make arrangements for your child to remain at home and engage in online lessons until their return date to school.**

If this is a particular issue for parents who are Key Workers, please email alice.clay@lister.newham.sch.uk by March 5th.

We have been pleased at the number of students who have benefited from the Provision during this time. Our numbers have risen to over 90, and we have been encouraged by the level of participation and engagement.

We wish you and your families well as we prepare for schools to return next week.

Yours faithfully,

Alice Clay,
Deputy Headteacher and Designated Safeguarding Lead.
