I have been informed that the portfolio of work shown to me will be the work submitted to the exam board as evidence to reflect my overall grade. I understand that the evidence used is consistent with other students in my class and in my year group.

I confirm that I have been made aware of the appeals system after the results have been issued on Thursday 12 August 2021.

I confirm that the work submitted is entirely my own.

I confirm that I have been told by my teacher that the final grade submitted to the exam board will be a holistic judgement of all the evidence within my portfolio. Whilst the final grade achieved may be between the range of grades used in these assessments, I understand that, due to the ranking and boundary setting process unique to this year, the final grade I achieve could, in some cases, be slightly higher or lower than the grade range of the individual assessments.
