

MEET THE TEACHER

Mr. Wilson

Hello!

I'm going to be your new teacher next year and cannot wait to welcome you into our Team!

We are going to have a fantastic time in Year One!

EDUCATION

I studied towards my degree in Early Childhood Studies at Doncaster University Centre, before completing my teacher training through the ITT Partnership, which means all my training was completed in Doncaster schools.

I first started as a volunteer in a Nursery class at Carcroft Primary 4 years ago and have worked my way up to be a teacher in that time, I love the school as I used to be a pupil here (all the way back in 1996!)

CONTACT

At Carcroft we operate an open door policy. If parents or carers would like to contact me, please visit the office, call school on 01302 722353 or send me a message on Class Dojo.

FAVOURITES

In school my favourite subject was English, I loved writing stories and could always be found with my nose in a book. I particularly liked stories about spies, magic and superheroes.

My favourite subject to teach is Art; I love that something beautiful can be created from anything, just by using a little imagination!

When I am not at school I love to clean my house while listening to music (usually Lady Gaga and always at a very high volume), taking my dog Charlie for walks in the woods near my home and taking care of my houseplants (65 at the last count!).
