

Summer 1

Expedition

Sharing our Learning Journey

Come and see what we have been learning so far this term...

- We would love to invite parents, carers, grandparents and other family members into school next week to spend some time looking through your child's (grandchild) work from this half term
- It will also be an opportunity for them to practise talking about what they have learnt so far this term and what they feel most proud of
- We know that the more we talk about learning, the more it will stick and go into our long term memory
- We also thought that it would be a good time to explain how we learn in expedition and will go through it all so parents understand it too

Come and see what we have been learning so far this term...

- This session is open to any family members as we understand that parents work and cannot always make it to sessions during the school day.. However, we will try and do another session next term, where the children share their work from the second half of half term. We will get these dates out after half term so that any parents who are unable to attend this half term, may be able to attend next half term
- Please let your child's Teacher know if there are specific times that work better for you and we can try and accommodate this next time where possible

	Tuesday 23rd May	Wednesday 24th May	Thursday 25th May	Friday 26th May
Crew McGlone				11.00
Crew Welburn		2.30		
Crew Godley	2.30			
Crew Marsh	2.30			
Crew Robson	2.30			
Crew FE		2.30		
Crew Thompson		2.30		
Crew Pashley		2.30		
Crew Shields			2.30	

Days and Times...

We can't wait to see
you...
