

Autumn Term 2 Diary Dates

Please find our diary dates for the second half of the Autumn Term.

Thank you to the six parents who have completed our parent voice form regarding trips/ events etc.

We have tried to consider these when considering dates for Autumn 2. We know that this time of year can be a real challenge both financially and also for time as it's so busy. Therefore, we have kept our events to a minimum. For example, for Christmas, we have one performance per key stage and our Christmas Fayre which we know our families love.

It may still appear a little busy for a couple of weeks, as we also have our end of term celebrations to celebrate the end of our Autumn Term Expedition, however, the children have worked extremely hard and we don't want to miss out on this opportunity. Therefore, please accept our apologies for a couple of busy weeks in December.

We really are grateful for your support during the school year and we look forward to celebrating the children's work as well as Christmas with you during the forthcoming weeks.
