SO, WHAT IS IT?

XP.
TRUST

At Carcroft School we believe that it takes more than qualifications to make a young person a good citizen, with a sense of personal well-being and moral purpose.

SO, WHAT IS IT?

Our school ethos is “Aspire, Believe, Achieve’ covers all areas of life: academic, social, cultural, sporting and creative. We want to develop the potential of US ALL, each and everyone one of us, preparing us to learn, grow and thrive in the 21st century. We also want all to be leaders and to give us all opportunities to pursue our own interests.

SO, WHAT IS IT?

The Carcroft Pledge Award is designed to promote the development of well-rounded individuals - us! So we are able to recognise the significant achievements of all our crew mates. It will also be a useful tool when we are competing for college and university places, jobs and other opportunities.

How do I complete it?

To complete an award at any level we must achieve in all 5 areas.

The Carcroft Pledge Award can be achieved at 4 different levels:

Rainbow (aimed at our EYFS pupils)

Bronze (aimed at our KS1 pupils)

Silver (aimed at our LKS2 pupils)

Gold (aimed at our UKS2 pupils)

Each level will take approximately a year to two years to achieve but is flexible to allow us to take more or less time.
