Sharing our Stories as we go...

We understand that life gets busy so parents do not always get the chance to visit our website but we want to share with you all of the amazing stuff we get up to at Carcroft School; we call this sharing our stories.

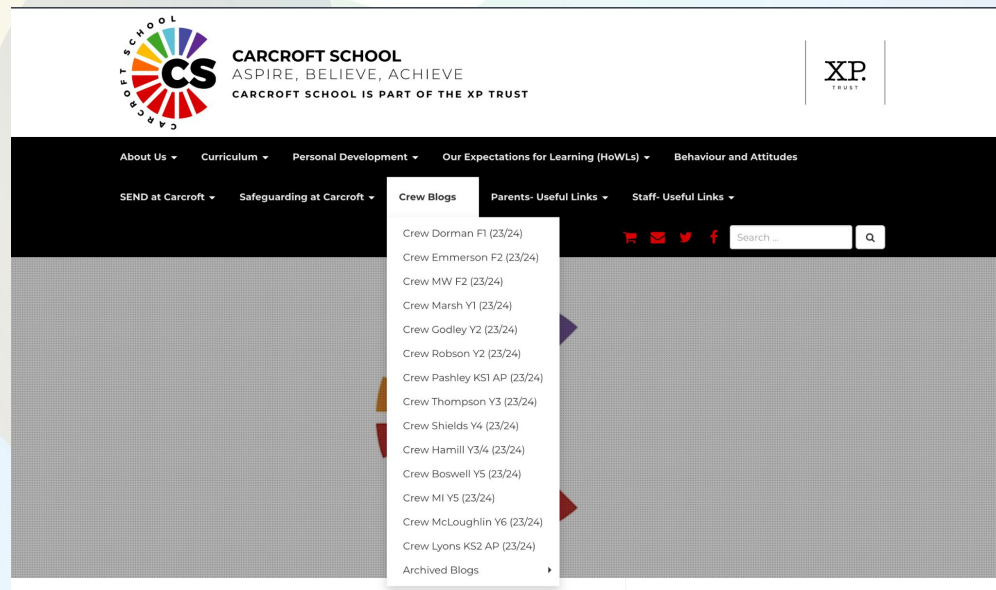

In order to share our stories, as well as blogging on our website, we are also going to provide snapshots via our weekly newsletter.

However, if you wish to see more of what your child gets up to whilst at school, head to our website using this link and head to crew blogs and select your child's crew.

Celebrating the Best Version of You!

At Carcroft School and across the XP Trust we want our children to leave us being the best version of themselves. In order to support our pupils to achieve this, we focus on three key things (3 dimensions):

1. Character Growth
2. Beautiful Work
3. Academic Success

Each week we will showcase how this is done!

Live talk with Yorkshire Water about the importance of being safe near water.

Character Growth (Crew)

Academic Success- Reading

We aspire for our pupils to leave us achieving the best they can academically across the curriculum.

Children must bring their book bag into school every day so that their reads can be checked and in case their book gets changed.

It is extremely important that children are reading daily at home.

Thank you for your support with this.

Please can we ask that children are reading their book at home for 10 minutes per day and at least 3 x per week/ ideally 4 times a week.

Diverse Doncaster: Where do I belong?

Year Two took a lovely scenic walk up to our local church at Owston to complete our first case study in Christianity. Along the way we ensured we were stewards of our local area and collected litter, we were praised by the public for our lovely manners and care to our community. When we arrived at the church we were excited to explore the grounds and noticed lots of old artefacts which dated back to 1086, Owston Church we discovered was also mentioned in the Domesday Book. A fantastic piece of history, right on our doorstep!

Exploring mosques, an Islamic place of worship for people of the Muslim faith.
