OPAL PLAYTIMES

It's been a glorious first week of our new OPAL playtimes programme with playground discos, muddy kitchen creations, plane rides, pirate endeavours, role play, water play, arty crafts and much much more!

As always the children have been amazing and have dived into it all with enthusiasm and it's been lovely to see so much excitement as you can see from these photos!

What the children have had to enjoy this week is just the beginning - this will be a continually evolving project with many additions already planned but also with the vision that the children will always have an input into what resources they would like to see in order to take them on their next adventure!

If you haven't already, please do ask your child about it - they will hopefully have a lot to say!

A MESSAGE FROM MISS VOSE...

Last week, I spent more time in school as part of my transition into the Head of School role, with a focus on ensuring a smooth transition for everyone involved.

I was delighted to take part in the recent INSET day, where I learned more about the excellent work that has taken place to develop mathematics and behaviour across the school. I have also spent valuable time getting to know the leadership team and gaining a deeper understanding of the school's journey and achievements to date.

It was wonderful to meet some of the new Reception families who will be joining the CHPS family in September. I have also enjoyed speaking with existing families and hearing how much they value being part of our school community.

My favourite part of the week was delivering Rights Respecting assemblies to all of the children. These assemblies provided a great opportunity for the children to get to know me before September and begin building positive relationships. I thoroughly enjoyed meeting them and seeing first-hand the enthusiasm, confidence and warmth that make CHPS such a special place.

I look forward to spending more time in school over the coming weeks and continuing to get to know the children, staff and families who make up our wonderful community.

OPEN AFTERNOON & END OF YEAR REPORTING

Your child's end of year report will be sent out on Friday 10th July and will include details of the end of year assessments the children will take in the next few weeks.

On Wednesday 22nd July we will also be inviting all parents into school for Open Afternoon. This is a chance for the children to present their Pupil Profile to you, reflecting their own thoughts on their progress and achievements this year as well as being a chance to look through lots of the work they have done this year. Their Class Teacher will also be on hand should you like to speak to them while you are in.

Prior to this, the children will have their Transition Day on Friday 10th July, with their new classes being shared with them and yourselves on Friday 3rd July.

PARENT GOVERNORS

A huge thank you to all parents who took the time to cast their vote in our recent elections for new Parent Governors. We are delighted to confirm the appointment of Charlotte Carling and Farah Alam to the schools Academy Committee.

E-SCOOTERS

Please note that e-scooters should not be brought on to school site for any reason. It is also worth noting that it is illegal to ride a privately owned e-scooter in public, for example on pavements, on roads or in parks.

DATES FOR THE DIARY

- 20th June - Summer Fair
- 23rd June - Sports Day (AM)
- 25th June - Express Uniform pop-up shop (PM)
- 3rd July - Phil Earle author visit
- 10th July - Changeover Day
- 22nd July - Open Afternoon (3.30pm)
- 23rd July - Inflatables Day
- 24th July - Last day of term

SPORTS DAY SOCIAL STORY

A reminder that the timings for our Sports Day on Tuesday 23rd June are as follows:

9.15-10.45am - Early Years and Key Stage 1

11.00am-12.30pm - Key Stage 2

Parents of some of our children who may find this event overwhelming may wish to use [this social story](#) in advance of the day.

The event is taking place on the field at the far end of the staff car park. The children will move in a carousel fashion around each activity, with their class. Please take care when accessing the field through the grounds of the car park, and please stay behind the rope/tape when watching the children compete. There are no toileting facilities aside from our Main Reception when in the LCH grounds

DISRESPECTFUL AND DANGEROUS PARKING

Awful parking like this endangers our pupils and deserves to be highlighted. If you have any photos of your own of disrespectful and dangerous parking, please do share them via the admin email and we will be very happy to publish them.

We have also this week had an email from a local resident so can I ask that this is also considered by those of you who are good enough to park away from the school site. Thank you.
