SPORTS DAY

We had an absolutely fabulous morning of sport on Monday over on the LCH field. The children were total superstars, gave their all and did us proud both in their sporting performances and also in the way they supported each other and showed real respect throughout.

We need to say a massive thank you to Mr Ross and Miss Dawson for the extensive organisation prior to and during the event, our secondary colleagues for allowing us to use the space and of course all families and friends who came to cheer the children on (plus those good sports who got stuck in to the parents' race!)

HOT WEATHER

It's been another week of very warm conditions which once again the team and children have dealt with brilliantly.

We have had several measures in place to mitigate the high temperatures including front loading outside time, splitting lunchtimes between indoors and outdoors, adjusting more active lessons such as PE and moving classes to cooler areas of school at key parts of the day.

The temperatures are due to stay very warm next week so as things stand we will continue to allow the option for children to come to school in their PE kits should they wish.

FAMILY SUPPORT

As we approach the longest break of the year, we would like to remind our families of the support available to them if needed.

A number of foodbanks operate in the area, for example [Chelwood](#) who we supported as a school charity last year, and the [Stockport Foodbanks](#).

We would also as ever signpost the brilliant [One Stockport Family Hub App](#) which has a massive range of resources for families on anything from sleep anxiety to health care and parenting advice.

We also have a large number of links and resources on the [Family Support and Guidance](#) page of our school website.

BOOK AMNESTY

As the end of the academic year approaches, it's important we re-stock our library and reading provision ready for September.

Please could we ask that any school reading books are brought back into school. This includes a good hunt under the bed / down the side of the sofa!

School reading books include:

- FFT books (EY/KS1)
- Routes to Reading books (EY/KS1)
- Books with a CHPS logo sticker on the spine, containing a number and letter, e.g. 4A (Y2-6)
- Library books which will be stamped on the inside page with the school name and/or a barcode sticker.

PARENTAL RESPECT

We massively value the relationship we have with all our parents in supporting the wellbeing and academic development of our pupils. We recognise that we have in our care the most important things in your worlds and that sometimes emotions can run high when certain issues do arise.

In these instances however, we expect a recognition in return that every member of staff comes to work every day just wanting to do their very best for all your children.

As additional guidance in this area, please our [Code of Conduct for Parents and Carers](#).

DATES FOR THE DIARY

22nd July - Open Afternoon (3.30pm)

23rd July - Inflatables Day

24th July - Last day of term

1st Sept - INSET Day

2nd Sept - Pupils return
