PARENTS' EVENING

Dear Cheadle Hulme Primary Families,

It was a real pleasure to welcome so many parents and carers into school this week for our Parents' Evenings. These meetings are such an important opportunity to strengthen the partnership between home and school and ensure we are all working together to help every child thrive.

I hope you enjoyed looking through your child's work and seeing the progress they have already made this year. It was also a valuable chance to hear how your child has settled into their new year group, celebrate their achievements and discuss any questions or next steps.

Thank you to all the families who attended. The support and engagement of our parents is a key part of what makes our school community so special, and we greatly value the strong relationships we share.

Have a wonderful weekend.

RECOGNITION AWARD

At Cheadle Hulme Primary School, we are proud to recognise children who consistently demonstrate our school values of **Kindness, Respect and Responsibility**. Each week, teachers nominate a child who has shown these qualities through their actions and attitude, and they are presented with a Recognition Award in our Monday assembly. This half term the focus is Citizenship. It is always a pleasure to hear the many positive reasons why children have been chosen and to celebrate their achievements together as a whole school community.

Well done to all of our Recognition Award winners!

PTA UPDATE AND REQUEST FOR VOLUNTEERS

We are excited to begin a new school year and wanted to say a huge welcome to new families who have joined the school.

What is a PTA?

The Parent-Teacher Association (PTA) is run by a team of parents and carers who are all volunteers, who generously give up their time to support our events. The PTA work closely with teachers and school staff to help build the school community and enhance children's experiences at school. Throughout the year we organise events and fundraisers for the children, parents/carers and for families.

Our events and fundraisers

Last year we had lots of events including our Christmas Fair, Summer Fair, two discos, the 2026 challenge, wreath making workshop (for parents), lots of tuck shops and Christmas card fundraiser. We raised a fantastic £17,000!

These funds were used to pay for the school to join OPAL, support the Year 6 leavers hoodies, organise a visit from Santa, as well as **lots of other school treats**. In the past couple of years the PTA have also funded the scrambler playframe, outdoor classroom and some of the playground markings as well as lots of books for the library. Many of the lovely extras around school were funded by the PTA.

Can you help?

The PTA can only run successfully if we have enough parent support. We need some more people to join the PTA team to ensure we can continue to run fun events for the children and raise money to enhance your child's experiences at school. Helping out is really rewarding, it provides an opportunity for our children to role model being a good citizen, and the children of PTA helpers really enjoy their parents getting involved. If you want to find out more about joining the PTA please complete our online form to [express your interest](#). The **PTA AGM will take place on Wednesday 4th November at 4:30pm** at CHPS. Staff will be on hand at main reception to let parents in.
