SECONDARY NOTICES

Year 8 First Aid Sessions: We are delighted to have MB Medical Solutions return to us again this year to give our Year 8 pupils a First Aid workshop for two hours over the 1st and 2nd of December. Pupils do not need to wear PE or comfortable clothes, school uniform will be fine. The workshop will not leave them with a recognised qualification, but it will give everyone a clear understanding of basic first aid, resuscitation and defibrillation to name a few. If you feel that your child may not cope with this workshop, please let Mr Angell know and alternative arrangements can be made during these times, rangell@chichesterfreeschool.org.uk .
