Spaces Available for Reception and Nursery for September 2026

Looking for an enriching educational environment for your child? We are excited to announce that we have available spaces in our reception and nursery classes for a start date in September 2026. Our school is committed to providing a nurturing and stimulating atmosphere where young learners can thrive. We invite you to experience our vibrant learning community firsthand by scheduling a tour. Please contact us at 0191 2570323 to arrange a visit and discover how we can support your child's educational journey. We look forward to welcoming you and your family!

Beach Spectres Event

On the weekend of 6-7 June at Whitley Bay Beach, there will be an event called "Beach Spectres" which will be celebrating the discovery of the Spectre shape, which was founded in 2023 and is the first shape ever discovered that can only make "aperiodic tilings": which can fit copies of the shape together in a pattern that will never repeat.

At the event they will be planning to make a giant tiling, using custom "cookie cutter" tools, that will spread out over the whole beach. The event organisers would love for lots of families to get involved and help them out to cover the whole beach.

The event is sponsored by Stand Up Maths Ltd, and co-organised with Newcastle University and Durham University. More details can be found on their website, at www.beachspectres.com.

KEY DATES

Wednesday 20th May- Whole School disco

Friday 22nd May - School closes for half term

Monday 1st June- School Re-opens

Summer Fayre- Wednesday 1st July 2pm

Thursday 2nd July- Reports sent home

Week Commencing 6th July- Summer Treat - TBC

Thursday 16th July- School Breaks up for summer holiday

Violet Class

We are so proud of the Year 6 children and the amazing attitude they have shown towards their SATs. Every single child has tried their best, and that really shone through in the way they were focused and determined. The children should feel incredibly proud of themselves for all they have achieved.

Thank you to Paula in the kitchen who came in early on Thursday to prepare an incredible breakfast for us all.

We celebrated their hard work on Friday with a trip to Northumberland Park, a picnic and a game at Gutterball.

Well done, Year 6 – you have been fantastic!
