Resilience

E

Enjoyment

We believe our children should access a curriculum which helps them become curious, resilient and articulate.

Curious - To nurture curiosity and intrigue by instilling an excitement to learn, wonder, ask questions and make connections both in school and in the wider world.

Resilient - To develop resilience in learners who relish challenges, are flexible in their thinking and regard mistakes as pathways to further learning. To develop children's readiness for the next stage in their education and beyond.

Articulate - To provide children with opportunities to master essential communication skills in order to clearly articulate their ideas and new vocabulary orally and in writing. To encourage a love for books and for children to immerse themselves in the world of literature.

Enjoyment - to provide rich and memorable experiences that children will treasure forever.

At our school we aim to nurture **curiosity** and intrigue by instilling an excitement to learn, wonder, ask questions and make connections both in school and in the wider world.

Our curriculum provides children with opportunities to master essential communication skills in order to clearly **articulate** their ideas and new vocabulary orally and in writing. Daily, we encourage a love for books and provide children with opportunities to immerse themselves in the world of literature.

We aim to develop **resilience** in learners who relish challenges, are flexible in their thinking and regard mistakes as pathways to further learning. We believe this resilience will foster children's readiness for the next stage in their education and beyond.

We also understand that children learn best when learning is fun. **Enjoyment** is a key ingredient to our lessons and we work together to provide rich and memorable experiences that children will treasure for ever.

Above all else, we dedicate our work to making sure that every child feels safe, happy and valued, and thrives personally and academically at Crawley Green. We strongly believe that positive relationships are the foundations of the development of the whole child; this is reflected in our nurturing, respectful and inclusive approach through which we aim for all members of our community to reach their full potential.

Reception Long Term Plan 2024-2025

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p>Big question</p> <p>NB: These themes may be adapted at various points to allow for children's interests to flow through the provision</p>	<p>Who am I and where am I from?</p> <p><i>Nursery rhymes</i></p>	<p>Why are there bright lights?</p> <p><i>Celebrations</i></p>	<p>Where can we go?</p> <p><i>Journeys</i></p>	<p>Can you tell me a story?</p> <p><i>Traditional tales</i></p>	<p>How does your garden grow?</p> <p><i>Planting and growing</i></p>	<p>What will you discover on safari/under water?</p> <p><i>Animals and Minibeasts</i></p>
<p>Key texts</p> <p>On top of these key texts a variety of fiction and non-fiction books linked to the theme will be available.</p>	<p>Nursery rhymes</p> <p>Harry and the Dinosaurs go to school</p> <p>Handas surprise</p>	<p>How to make a samosa</p> <p>Bonfire story</p> <p>Bonfire descriptive writing</p> <p>Jesus's Christmas party</p>	<p>We're going on a bear hunt</p> <p>Whatever next?</p> <p>Oi frog!</p>	<p>Goldilocks</p> <p>Gingerbread man</p> <p>Little Red Hen</p>	<p>Jack and the beanstalk</p> <p>Oliver's Vegetables</p> <p>The Enormous Turnip</p>	<p>Dear Zoo</p> <p>Superworm</p> <p>Commotion in the Ocean</p> <p>The Very Hungry Caterpillar</p>

Who am I and where am I from?	Why are there bright lights?	Where can we go?	Can you tell me a story?	How does your garden grow?	What will you discover on safari/ underwater?

Intent of the
Crawley Green
Curriculum

Characteristics of Effective Learning

Playing and exploring: - Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning

Active learning: - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.

Creating and thinking critically: - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.

Curious

Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.

Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.

Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.

Learning and Development: Children develop and learn at different stages. We must be aware of children who need greater support than others.

Articulate

Resilient

Enjoyment

Active Learning: At Crawley Green Infants, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore , we are proud that our EYFS setting has an underlying ethos of ‘Learning through play. Active learning is essential for children’s development across all areas. Play builds on children’s confidence as they learn to explore, to relate to others around them and develop relationships , set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.’. EYFS Team

We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.

Communication and Language

The development of children’s spoken language underpins all seven areas of learning and development. Children’s **back-and-forth interactions** from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a **language-rich environment** is crucial. By commenting on what children are interested in or doing, and echoing back what they say with **new vocabulary added**, practitioners will build children’s language effectively. **Reading frequently to children**, and **engaging them actively in stories**, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and **embed new words in a range of contexts**, will give children the opportunity to thrive. Through **conversation, story-telling and role play**, where children **share their ideas** with support and **modelling** from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a **rich range of vocabulary** and **language structures**.

Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, EYFS productions, assemblies and weekly interventions.

Daily story time

- Understand how to listen carefully and why listening is important.
 - Learn new vocabulary.
 - Use new vocabulary throughout the day.
- Ask questions to find out more and to check they understand what has been said to them.
 - Articulate their ideas and thoughts in well formed sentences.
 - Connect one idea or action to another using a range of connectives.
 - Describe events in some detail.
- Use talk to help work our problems and organize thinking and activities and to explain how things work and why they might happen.
 - Develop social phrases.
 - Engage in story times.
- Listen to and talk about stories to build familiarity and understanding.
- Retell the story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words.
 - Use new vocabulary in different contexts.
- Listen carefully to rhymes and songs paying attention to how they sound.
 - Learns rhymes poems and songs.
 - Engage in non fiction books.
- Listen to and talk about selected non fiction to develop a deep familiarity with new knowledge and vocabulary.

ELG: Listening, Attention and Understanding

- Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions
- Make comments about what they have heard and ask questions to clarify their understanding
- Hold conversation when engaged in back-and-forth exchanges with their teacher and peers

ELG: Speaking

- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.
- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Who am I and where am I from?	Why are there bright lights?	Where can we go?	Can you tell me a story?	How does your garden?	What will you discover on safari/ underwater?

Personal, Social and Emotional Development

Children's personal, social and emotional development (PSED) is **crucial for children to lead healthy and happy lives**, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that **shape their social world**. Strong, warm and supportive relationships with adults enable children to learn how to **understand their own feelings and those of others**. Children should be supported to **manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist** and wait for what they want and direct attention as necessary. Through adult modelling and guidance they will learn **how to look after their bodies, including healthy eating**, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which **children can achieve at school and in later life**.

Managing Self
Self - Regulation

Jigsaw unit – Being me in my world Establish class rules Introduce Behaviour Bees	Jigsaw unit – Celebrating Difference Embed Behaviour Bees	Jigsaw unit – Dreams and Goals Behaviour Bees	Jigsaw unit –Healthy me Behaviour Bees	Jigsaw unit – Relationships Behaviour Bees	Jigsaw unit – Changing me Behaviour Bees Transition work
--	--	--	---	---	--

Building relationships
See Jigsaw scheme of work for further breakdown.

See themselves as a valuable individual.
Build constructive and respectful relationships.
Express their feelings and consider the feelings of others.
Show resilience and perseverance in the face of challenge.
Identify and moderate their own feelings socially and emotionally.
Think about the perspectives of others.
Manage their own needs.
Know and talk about the different factors that support their overall health and wellbeing:
• regular physical activity • healthy eating • toothbrushing • sensible amounts of 'screen time' • having a good sleep routine • being a safe pedestrian

Link to Behaviour Bees

<p>ELG: Self-Regulation</p> <ul style="list-style-type: none"> -Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. -Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. -Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions 	<p>ELG: Managing Self</p> <ul style="list-style-type: none"> -Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. -Explain the reasons for rules, know right from wrong and try to behave accordingly. -Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices. 	<p>ELG: Building Relationships</p> <p>Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers;. Show sensitivity to their own and to others' needs.</p>
--	--	---

Show an understanding of their own feelings and those of others, and begin to **regulate their behaviour accordingly**. Set and work towards simple goals, being able to wait for what they want and **control their immediate impulses when appropriate**. Give **focused attention to what the teacher says**, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

- ✓ **Be ready** – I will have the correct uniform and wear it with pride. I will show I am ready for learning. I will have what I need ready for each lesson.
- ✓ **Be Kind**– I will listen to others when they are speaking. I will look after property and help keep the school looking welcoming. I will treat people with kindness.
 - ✓ **Be safe** – I will move safely and quietly round school. I will look after the environment. I will play safely with my friends.
 - ✓ **Believe in yourself** – I will always do my best. I will ask for help if I needs it. I will think positively and have a ,can do, approach.

Be increasingly independent to meet their own care needs eg. **Brushing teeth, using toilet, washing and drying hands.**
Make healthy choices about food, drink activity and tooth brushing.

Know and talk about the different factors that support their overall health and well being. (physical activity, healthy eating, tooth brushing, screen time, sleep, safe pedestrian)

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Who am I and where am I from?	Why are their bright lights?	Where can we go?	Can you tell me a story?	How does your garden Grow?	What will you discover on safari/underwater?

Physical development

Physical activity is **vital** in children's all-round development, enabling them to **pursue happy, healthy and active lives**. Gross and fine motor experiences develop incrementally throughout early childhood, starting with **sensory explorations** and the development of a **child's strength, co-ordination and positional awareness** through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their **core strength, stability, balance, spatial awareness**, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. **Fine motor control and precision helps with hand-eye co-ordination**, which is later linked to **early literacy**. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop **proficiency, control and confidence**.

Fine motor

Use one-handed tools and equipment, for example, making snips in paper with scissors.

Use a comfortable grip with good control when holding pens and pencils.

Eating with a knife and fork.

Show a preference for a dominant hand.

Getting dressed and undressed – for example coats and zips.

Develop small motor skills so that they can use a range of tools competently safely and competently. (Pencils, paintbrushes, scissors, knives forks and spoons.)

Develop the foundations of a handwriting style which is fast, accurate and efficient

Use a comfortable grip with good control when holding pens and pencils.

Getting dressed and undressed – for example coats and zips.

Gross motor

For more detail see the PE plans – designed using Complete PE.

Parachute games/ ring games

Dance

Gym – high, low, over, under

Scooters

Ball skills

Sports day activities

Revise and refine the fundamental movement skills they have already acquired – Rolling, crawling, walking, jumping, running, hopping, skipping, climbing

Develop the overall body strength, coordination balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.

Combine different movements with ease and fluency

Confidently and safely use a range of large and small apparatus indoors and outside alone and in a group

Develop overall body-strength balance, coordination and agility

Further develop and refine a range of ball skills, including throwing, catching, kicking, passing, batting and aiming. Develop confidence, competence, precision and accuracy when engaging in activities which involve a ball.

ELG: Fine Motor Skills

-Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases.

-Use a range of small tools, including scissors, paint brushes and cutlery.

-Begin to show accuracy and care when drawing.

ELG: Gross Motor Skills

-Negotiate space and obstacles safely, with consideration for themselves and others.

-Demonstrate strength, balance and coordination when playing.

-Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Who am I and where am I from?	Why are their bright lights?	Where can we go?	Can you tell me a story?	How does your garden grow?	What will you discover on safari/underwater?

Literacy

It is crucial for children to develop a **life-long love of reading**. Reading consists of two dimensions: **language comprehension and word reading**. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and **enjoy rhymes, poems and songs together**. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (**decoding**) and the **speedy recognition of familiar printed words**. Writing involves **transcription** (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)

Comprehension

<p>Listen and enjoy sharing a range of books. Hold a book correctly, handle with care. Know that a book has a beginning and an end and can hold the book the right way up and turn some pages appropriately. Know that text in English is read top to bottom and left to right. Know the difference between text and illustrations. Recognise some familiar words in print, e.g., own name or advertising logos. Enjoy joining in with rhyme, songs and poems. Explain in simple terms what is happening in a picture in a familiar story. Complete a repeated refrain in a familiar rhyme or story</p>	<p>Experience and respond to different types of books, e.g., story books, factual/real-world books, rhyming and non rhyming stories, realistic and fantasy stories.</p> <p>Respond to 'who', 'where' 'what' and 'when' questions linked to text and illustrations.</p> <p>Make simple inferences to answer yes/no questions about characters' emotions in a familiar picture book read aloud to them, with prompts.</p> <p>Sequence two events from a familiar story, using puppets, pictures from book or role-play.</p>	<p>Use picture clues to help read a simple text. Make a simple prediction based on the pictures or text of a straightforward story that is read aloud to them. Show understanding of some words and phrases in a story that is read aloud to them.</p> <p>Express a preference for a book, song or rhyme, from a limited selection.</p> <p>Play is influenced by experience of books (small world, role play).</p>	<p>Retell stories in the correct sequence, draw on language patterns of stories.</p> <p>With prompting, show understanding of many common words and phrases in a story that is read aloud to them.</p> <p>Suggest how an unfamiliar story read aloud to them might end.</p> <p>Give a simple opinion on a book they have read, when prompted. Recognise repetition of words or phrases in a short passage of text. Play influenced by experience of books. Innovate a well known story with support.</p>	<p>Correctly sequence a story or event using pictures and/or captions.</p> <p>Make simple, plausible suggestions about what will happen next in a book they are reading.</p> <p>Know the difference between different types of texts (fiction, nonfiction, poetry)</p> <p>Make inferences to answer a question beginning 'Why do you think...?' in a picture book that has been read to them, where answer is clearly signposted.</p> <p>Play influenced by experience of books - gestures and actions used to act out a story, event or rhyme.</p>	<p>Play influenced by experience of books - act out stories through role play activities, using simple props (e.g. hats, masks, clothes, etc.) and appropriate vocabulary.</p> <p>Innovate a known story.</p> <p>Recall the main points in text in the correct sequence, using own words and include new vocabulary.</p> <p>When prompted, say whether they liked or disliked a book, and give a simple justification or make a relevant comment.</p> <p>With prompting, sometimes show understanding of some less familiar words and phrases in a story that is read aloud to them.</p>
---	---	--	--	---	--

ELG: Comprehension

- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.
- Anticipate – where appropriate – key events in stories.
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Who am I and where am I from?	Why are their bright lights?	Where can we go?	Can you tell me a story?	How does your garden grow?	What will you discover on safari/ underwater?

Literacy

Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and **enjoy rhymes, poems and songs together**. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (**decoding**) and the **speedy recognition of familiar printed words**. Writing involves **transcription** (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)

Reading
Phonics
Phonics is taught using Read Write Inc
Reading books and home reading ongoing to be matched to child's phonic knowledge

Understand the five key concepts about print: - print has meaning - print can have different purposes - we read English text from left to right and from top to bottom - the names of the different parts of a book
Read individual letters by saying sounds for them.

Blend sounds into words so that they can read shorter words made up of known letter sounds.
Read some letter groups that represent one sound and say sounds for them. (sh, ch, th, nk, ng)
Read a few common exception words (red words)

Read some letter groups that represent one sound and say sounds for them.
all (sh, ch, th, nk, ng)
some (ay, ee, igh, ow, oo, oo))
Read a few common exception words (red words)
Read simple phrases and sentences made up of words with known letter-sound correspondences

Read some letter groups that represent one sound and say sounds for them.
all (ay, ee, igh, ow, oo, oo))
some (ar, or, air, ir, ou, oy)
Read a few common exception words (red words)
Read simple phrases and sentences made up of words with known letter-sound correspondences

Read some letter groups that represent one sound and say sounds for them All set 2 sounds
Read a few common exception words (red words)
Read simple phrases and sentences made up of words with known letter-sound correspondences

ELG: Word Reading

- Say a sound for each letter in the alphabet and at least 10 digraphs.
- Read words consistent with their phonic knowledge by sound-blending.
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Who am I and where am I from?	Why are their bright lights?	How will we get there?	Can you tell me a story?	How does your garden grow?	What will you discover on safari?

Literacy

Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (**decoding**) and the **speedy recognition of familiar printed words**. Writing involves **transcription** (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)

Writing
 Writing opportunities to be available throughout provision and during RWI and adult led sessions. *Only ask children to write sentences when they have sufficient knowledge of letter-sound correspondences.*

Please also refer to Physical development for mechanics of writing.

Write some letters accurately

 Write some or all of their name.

 Form lower case and capital letters correctly.

Write some or all of their name.

 Form lower case and capital letters correctly. Spell words CVC by identifying the sounds and then writing the sounds with letter/ letters.

Form lower case and capital letters correctly.

 Spell words CVC/ CVCC/ CCVC by identifying the sounds and then writing the sounds with letter/ letters.

 Write 2 / 3 word captions with words with know sound letter correspondences, using full stop.

 Re-read what they have written to check that it makes sense.

Form lower case and capital letters correctly.

 Spell words by identifying the sounds and then writing the sounds with letter/ letters.

 Write short sentences with words with know sound letter correspondences using capital letter and full stop.

 Re-read what they have written to check that it makes sense.

ELG: Writing

- Write recognisable letters, most of which are correctly formed.
- Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences that can be read by others.

Who am I and where am I from?	Why are their bright lights?	Where can we go	Can you tell me a story?	How does your garden grow?	What will you discover on safari/underwater?
-------------------------------	------------------------------	-----------------	--------------------------	----------------------------	--

Maths

Developing a **strong grounding in number** is essential so that all children develop the necessary **building blocks** to excel mathematically. Children should be able to **count confidently**, develop a deep understanding of the **numbers to 10**, the **relationships between** them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using **manipulatives**, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which **mastery of mathematics** is built. In addition, it is important that the curriculum includes **rich opportunities for children to develop their spatial reasoning** skills across all areas of mathematics including shape, space and measures. It is important that children **develop positive attitudes and interests in mathematics**, look for **patterns and relationships**, spot **connections**, 'have a go', **talk to adults** and peers about what they notice and not be afraid to make mistakes.

<p>Maths is taught through NCETM materials– a mastery scheme of work. This is tailored to the needs of the children.</p> <p>Number</p> <p>Numerical patterns</p>	<p>Subitising within 3</p> <p>Counting skills</p> <p>Know how all numbers are made of 1s</p> <p>Composition of 3 and 4</p> <p>Subitise objects and sounds</p> <p>Comparisons of sets</p> <p>Use vocabulary more than. fewer than</p>	<p>Counting skills</p> <p>Fiveness of 5 using one hand and the die pattern for 5</p> <p>Comparison of sets by matching</p> <p>Use vocabulary more than, fewer than, equal</p> <p>Explore 'whole' and 'part'</p> <p>Composition of 3,4,and 5</p> <p>Match numerals to quantities within 10</p> <p>Verbal counting beyond 20</p>	<p>Subitise within 5 focusing on die patterns</p> <p>Match numerals to quantities within 5</p> <p>Counting- focus on ordinality and the staircase pattern</p> <p>See each number is one more than the previous number</p> <p>Focus on 5</p> <p>Order numbers to 8</p> <p>Use vocabulary less than</p> <p>Focus on 5</p> <p>Focus on 6 and 7 as</p>	<p>Focus on staircase pattern and ordering numbers</p> <p>Focus on ordering of numbers to 8</p> <p>Use language of less than</p> <p>Focus on 7</p> <p>Doubles explore how some numbers can be made with 2 equal parts</p> <p>sorting numbers according to attributes- odd and even numbers</p>	<p>Count larger sets and things that cannot be seen</p> <p>Subitising to 6 including structured arrangements</p> <p>Composition 5 and a bit</p> <p>Composition of numbers to 10</p> <p>Comparison linked to ordinality</p> <p>Play track games</p>	<p>Subitise to 5</p> <p>Introduce rekenrek</p> <p>Automatic recall of bonds to 5</p> <p>Comparison</p> <p>Number patterns</p> <p>Counting</p>

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	How I wonder who you are?	Why are there bright lights?	How will we get there?	Can you tell me a story?	How does your garden grow?	What will you discover on safari?
Understanding the world	Understanding the world involves guiding children to make sense of their physical world and their community . The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.					
Past & Present	Talk about members of their immediate family and community. (family pictures) Name and describe people who are familiar to them.(Family pictures)	Comment on images of familiar situations in the past. (poppy day, family pictures)	Compare and contrast characters from stories including figures from the past. Comment on images of familiar situations in the past.		Can talk about our journey from starting school to present day Can reflect back to celebrations & events that happen throughout the year.	
Luton SCARE Units	Where do we belong?	Why is Christmas special for Christians? (week block)	Which stories are especially valued and why?	Why is Easter special for Christians? (week block)	Which places are specially valued and why?	
People	Recognise that people have different beliefs and celebrate special times in different ways. Understand that some places are special to members of their community.		Can talk about Celebrations that happen this time of year Lent / Easter Holi Draw information from a simple map.		Recognise some similarities and differences between life in this country and life in other countries. Recognise some environments that are different to the one in which	
Natural World	Can talk about changes in the environment - Turn from summer to Autumn Autumn to winter Can talk about natural objects they have found		Can talk about changes in the environment - Turn from Autumn to winter, winter to spring Can talk about changes they can see – Science experiments Can talk about things they can find in the environment,		Can talk about changes in the environment - Turn from Spring to summer Can talk about planting seeds and changes they have observed using vocabulary learnt ie. plant names, structures, Can talk about lifecycles they have observed i.e hatching ducks, caterpillars to butterflies, tadpoles to frogs	
	ELG: Past and Present -Talk about the lives of the people around them and their roles in society. -Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. -Understand the past through settings, characters and events encountered in books read in class and storytelling		ELG: People, Culture and Communities -Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. -Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. -Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.		ELG: The Natural World -Explore the natural world around them, making observations and drawing pictures of animals and plants. -Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. -Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter	

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
How I wonder who you are?	Why are there bright lights?	How will we get there?	Can you tell me a story?	How does your garden grow?	What will you discover on safari?

Expressive Arts and Design

The development of children's artistic and cultural awareness supports **their imagination and creativity**. It is important that children have regular opportunities to **engage with the arts**, enabling them to explore and play with a wide range of **media and materials**. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, **self-expression, vocabulary and ability to communicate through the arts**. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music to children and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.

Creating with materials

Across the year the children will have access and develop various key skills using a variety of mediums Giving children the opportunity to:

<p>Explore, use and refine a variety of artistic effects to express their ideas and feelings.</p> <p>Return to and build on their previous learning, refining ideas and developing their ability to represent them.</p> <p>Create collaboratively, sharing ideas, resources</p> <p>Expresses and communicates working theories, feelings and understandings using a range of art forms, e.g. the visual arts.</p> <p>Responds imaginatively to art works and objects</p>	<p>Mark making & Drawing</p> <p>Can hold and use drawing tools (pencil, rubbers, crayon, pastels, chalk, pen, felt tip) with some control to make marks (from observation or imagination). Selects coloured drawing implements for a purpose. Uses drawing tools to make marks, lines and curves. Draws accurate representations of people and objects. To talk about their own and others' work.</p>	<p>Colour</p> <p>Can recognise and name different colours. Understands that when colours are mixed, new colours are created. Can select and create different colours. Uses a variety of tools to apply paint, e.g. brushes of different sizes, sponges, fingers, objects. Can explore working with paint on different surfaces and in different ways (e.g. different textured, coloured, sized and shaped paper). Can work from direct observation and imagination</p>	<p>Texture</p> <p>Enjoys playing with and using a variety of textiles and fabric. Can decorate a piece of fabric using different implements, e.g. fabric pens, paints, sticking on buttons etc. Shows experience in simple weaving: paper, twigs. Shows experience in fabric collage: layering fabric, adding different textiles and media</p>	<p>Form (3D)</p> <p>Explores malleable media such as clay, salt dough, playdoh and sand. Can impress and apply simple decoration. Can cut shapes using scissors and other modelling tools. Can use tools such as scissors, staplers, clay tools, split pins and shape cutters competently and appropriately. Build a construction/ sculpture using a variety of objects from observation or imagination e.g. recycled, natural and manmade materials. Can choose own resources and tools</p>

ELG: Creating with Materials

- Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.
- Share their creations, explaining the process they have used;
- Make use of props and materials when role playing characters in narratives and stories.

	How I wonder who you are?	Why are their bright lights?	How will we get there?	Can you tell me a story?	How does your garden grow?	What will you discover on safari?
Expressive Art and Design	Understanding the world involves guiding children to make sense of their physical world and their community . The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.					
Imagination and Expression	Develop storylines in their pretend play Explore and engage in music making and dance performing solo or in groups. Listen attentively move to and talk about music, expressing their feelings and responses. Watch and talk about dance and performance art, expressing their feelings and responses. Sing in a group or on their own, increasingly match the pitch and melody.,		Develop storylines in their pretend play Listen attentively, move to and talk about music, expressing their feelings and responses Create collaboratively sharing ideas, resources and skills. Explore use and refine a variety of artistic effects to express their ideas and feelings. Sing in a group or on their own, increasingly match the pitch and melody.
