

Welcome to Crown Street Primary School

'Education on another level, where possibilities are endless'

Welcome to your school.

It is quite a tall school – but not as tall as the towers! Your classroom is on the ground floor, the hall is on the first floor, the library on the second floor and the playground is on the roof!

This will be your classroom.

In September it will be full of lots of exciting resources to use and play with!

Together we will create art and writing for our walls.

This will be your outside area which will be shared with Pre-School. We will use this as our outdoor classroom with lots of learning and play happening out here. Here you will find a mud kitchen, water tray, mark making, construction blocks and many other exciting things!

This is our playground. We will use this at playtime and lunchtime. It is on our roof, which means we have to walk up lots of stairs to get up there!

Meet the team ...

Miss Hopkins
Class Teacher

Miss Hayes
Learning Support Assistants

Miss Doran

Coming to school ...

When you come to school you will come through the 'Early Years Entrance' gate and go into your classroom.

If there is anything out in the outdoor area – try not to touch or play with it as this has been set up for some fun learning during the day.

You will need to take off your coat and hang it on your peg in the cloakroom.
You will need to make sure your book bags and PE kit are away in the big grey drawers.

These are the toilets we will use – they are inside our classroom. Remember to flush the toilet after you've been and then always wash your hands. Please make sure you put your used paper towels in the bin.

This is the hall. We will use it every day at lunchtime where we will sit on tables with friends from our House teams. We will also go to the hall for assemblies with Mrs Thompson (our Head of School), these assemblies will probably include her reading a story (she loves reading!).

To get to the hall we need to walk up some stairs, we will do this safely by holding on to the handrail and walking one behind the other all sticking to one side of the stairs.

At Crown Street Primary we LOVE books and reading. Lots of your learning in Autumn will be inspired by your Curriculum Bookshelf:

?

?

?

If you could create your own bookshelf of your favourite books, what would be on it?

Uniform ...

We know you will look very smart when you are wearing your uniform.

You will need to bring your book bag and water bottle to school every day (we will give you your school water bottle in September).

You will also need to remember to bring a coat too. Make sure everything is labelled with your name so we know which things belong to who!

What you will do at school ...

Make friends – we learn from one another, we support one another, we are successful together

Sometimes you will work with an adult and sometimes you will do independent learning. We call this being a 'busy learner' and you can choose where you work.

There will be different areas for you to work at.

Maybe you will choose the Construction Area – what type of structure can you build?

Or the Creative Station – can you write a story or design a picture?

Or the Home Corner – what have you planned for the family today?

There is Small World – where can your imagination take you?

Be careful at Messy Play – can you find anything in the sand? Or can you measure the amount of liquid?

Of course, there is the Reading Corner – what is your favourite book to share with your friends?

It will be so much fun at Crown Street Primary and we are looking forward to showing you all these places and getting to know you too.

Don't forget to start designing, creating and filling your 'Special Shoebox' with all the things you love, enjoy and mean something to you.

We hope you all have a lovely summer with your families and we will see you in September!
