## **1.0 Introduction**

- 1.1 Regular school attendance is essential if children are to achieve their full potential.
- 1.2 Crown Street Primary School believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.
- 1.3 Crown Street Primary School values all pupils. As set out in this policy, we will build strong relationships with families to ensure pupils have the support in place to attend school and identify the reasons for poor attendance.
- 1.4 Crown Street Primary School recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on admissions, safeguarding, anti-bullying, child protection, safeguarding and behaviour and inclusive learning. This policy takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.
- 1.5.1 This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on **'Working Together to Improve School Attendance'**, through our whole-school culture and ethos that values good attendance, including:
  - Setting high expectations for the attendance and punctuality of all pupils
  - Promoting good attendance and the benefits of good attendance
  - Reducing absence, including persistent and severe absence
  - Ensuring every pupil has access to the full-time education to which they are entitled
  - Acting early to address patterns of absence
  - Building strong relationships with families to make sure pupils have the support in place to attend school

## **2.0 Legal Framework**

- 2.1 This policy is based on the Department for Education's (DfE's) statutory guidance **'Working Together to Improve School Attendance'** (effective from 19<sup>th</sup> August 2024) and school attendance parental responsibility measures.

The guidance is based on the following legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School Census Guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

### **3.0 Safeguarding**

- 3.1 Every pupil should be able to learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.
- 3.2 Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents/carers. Safeguarding is about offering early help and support to children and families and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties within the family. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places a child at risk of harm.
- 3.3 Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses: Attendance, Behaviour Management, Health and Safety, Access to the Curriculum and Anti-bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.
- 3.4 More information on safeguarding and the protection of children can be found in the school's [\*Safeguarding and Child Protection Policy\*](#).
- 3.5 In order to allow us to safeguard the children in our care it is important that parents and carers provide the school with their current contact details and provide at least two other contact numbers in case of emergency.
- 3.6 At least annually, we will actively request that parents and carers check and confirm the contact details we have on record so that children can be supported to attend school and that we hold current contact details.
- 3.7 It is also important for parents to inform the school of any specific vulnerability in relation to their child or home circumstances. This includes notifying the school if home circumstances change, including the use of private fostering arrangements so that there is clarity of responsibilities to ensure school support and to prioritise school attendance.

### **4.0 Categorising Absence**

- 4.1 Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.
- 4.2 Absence can only be authorised by the Head of School and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.
- 4.3 Parents must advise the school by telephone to the School Office on the first day of absence and provide the school with an expected date of return. This should be

followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate.

4.4 Absence will be categorised as follows:

4.4.1 **Illness** Parents may be asked to provide medical evidence to allow the Head of School to authorise absence where appropriate. This will usually be in the form of an appointment card or evidence of booking an appointment, prescription etc

4.4.2 **Medical/Dental Appointments** Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents must show the appointment card to school.

4.4.3 **Other Authorised Circumstances** This relates to where there is cause for absence due to exceptional circumstances.

4.4.4 **Suspended or Excluded (No alternative provision made)** Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

4.4.5 **Religious Observance** Crown Street Primary acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence.

4.4.6 **Traveller Absence** It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible (see *Appendix 2*)

4.4.7 **Late Arrival** Registration begins at 8.45am and registers are completed by 9am, pupils arriving after this time will be marked as present but arriving late (code L). The register will then close at 9.15am and pupils arriving after the close of register will be recorded as late (code U) this is not authorised and will count as an absence for that school session.

On arrival after the close of register, pupils must enter school through the front School Office, this allows us to sign the children in to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as unauthorised if the pupil has arrived late without justifiable cause.

4.4.8 **Unauthorised absence** - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the Head of School.

If parent/carers wish to withdraw their child due to exceptional circumstances, they must seek permission in advance from the school in writing to the Head of School. If the child has a sibling attending another school, the Head of School may contact the other school to enquire whether they have also received a request for term time absence. A decision will then be made and a written response will be given to parent/carers to confirm whether or not permission is given. The Head of School will also decide how many authorised days the child can be away from school if the absence is granted.

Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

4.4.9 A full list of the Department for Education (DfE) Registration Codes can be found in Appendix 1.

4.5 All requests for leave of absence in term, including holidays, will be responded to in writing.

4.5.1 If a pupil fails to return from a leave of absence and contact with the parents has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

4.5.2 If the permission to take leave is not granted and the parent takes their child out of school the absence will be unauthorised.

In such cases the school may request the local authority issue a Penalty Notice or consider other legal sanctions including prosecution in the magistrate's court. This will follow Manchester Statutory Action Escalation Pathway

- Engage with school support aimed at improving school attendance
- Seek support, where necessary, for maintaining good attendance by contacting Mrs McGowan or Mrs Thompson

#### 5.9 **Pupils:**

### **6.0 Attendance Data**

#### 6.1 **Using attendance data**

The school will:

Monitor attendance and absence data half-termly, termly, and yearly across the school and at an individual pupil level.

Identify whether there are groups of children whose absences may be a cause for concern or particular cohorts of pupils where attendance is affecting their achievement/outcomes.

*Pupil-level absence data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases and the View your own Dashboard (VYOD) system.*

The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the Academy Committee.

## 6.2 Analysing attendance data

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence

## 6.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families

## 6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Additional information for the procedure for managing pupil attendance can be found in our ['Attendance Policy for Laurus Trust Primary Schools'](#), which can be found on our school website. It is also summarised below:

**Stage one:** Parent/carers/carers will be contacted by telephone/letter to discuss attendance concern and to explore how school can support the family in improving attendance. A follow-up email will be sent summarising the conversation and providing notification of next steps if no improvement.

**Stage two:** If there is no improvement, a standard letter will be sent inviting parent/carers to come in to meet with a member of staff to discuss how home and school can work together to improve attendance and/or punctuality. An attendance contract may be discussed at this stage.

**Stage three:** If attendance does not improve, a second letter will be sent asking parent/carers to meet with the Head of School and indicating that the Local Authority will be contacted if there is no response. An attendance contract will be discussed at this stage.

**Stage four:** Head of School send a third letter asking to meet with parent/carers. Failure to attend this meeting (or attending the meeting but not resulting in agreed improvements in attendance) will result in a referral to the Local Authority. 6 If attendance issues persist then the school has a duty to alert the Local Authority and parent/carers/carers will be informed. A record of all correspondence regarding attendance will be kept on file by the school.

## **7.0 Support Systems**

- 7.1 School recognise that poor attendance is often an indication of difficulties and trauma in a child's life. This may be related to problems at home and/or in school.

Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, *for example, bereavement, divorce/separation, incidents of domestic abuse*. This will help the school identify any additional support that may be required. It is expected that the child and their family work collaboratively with school to identify the Emotional Barriers to School Attendance (EBSA) resources most appropriate for support and to accept the support that is offered or advised

- 7.2 Crown Street Primary School also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and children with a social worker
- 7.3 The school will implement a range of strategies to promote good attendance and support improved attendance for all pupils and their families.
- 7.4 If a pupil has an Education, Health & Care plan, Crown Street Primary School will communicate with Manchester City Council EHCP Team at an early stage once they become aware of barriers to attendance that relate to the child's needs
- 7.5 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, Crown Street Primary School may consider the use of legal sanctions following Manchester City Council's Code of Conduct

## **8.0 Legal Sanctions**

- 8.1 Crown Street Primary School will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis

### **Penalty notices**

- 8.2 Manchester City Council, upon a request from school, can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice
- 8.3 Before requesting a legal sanction, the school will consider the individual case, including:
- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks) These sessions can be consecutive or sporadic and the period of 10 weeks can also span different terms or school years
  - Whether the school believes that a parent is deliberately attempting to avoid triggering the national attendance threshold. This could include situations where a parent takes a term-time holiday during fragmented weeks, such as those following bank holidays or inset days
  - Whether a penalty notice is the best available tool to improve attendance for that pupil
  - Whether appropriate support has been put in place
  - Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate
- 8.4 Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence
- 8.5 The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice
- 8.6 If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days (*per pupil, per parent*)
- 8.7 If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days (*per pupil, per parent*)
- 8.8 A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead

### **Notice to Improve**

- 8.9 If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, a Notice to Improve letter will be issued in line with processes set out in by Manchester City Council's Code of Conduct. This will include a clear warning that a penalty notice may be issued if attendance doesn't improve within the monitoring period which will be up to 6 weeks. Sufficient improvement will be decided on a case-by-case basis.

## Appendix 2:

### Traveller Family Absence

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1996, section 444(6), states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in the year preceding the absence. This applies only when the family proves it is engaged in a trade or business that requires it to travel and when the child is attending school as regularly as that trade permits.

When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

**Crown Street Primary School** will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at xxx will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

**Crown Street Primary School** can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates

**Crown Street Primary School** will authorise absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking computer-based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil and appropriate statutory action may be undertaken.
