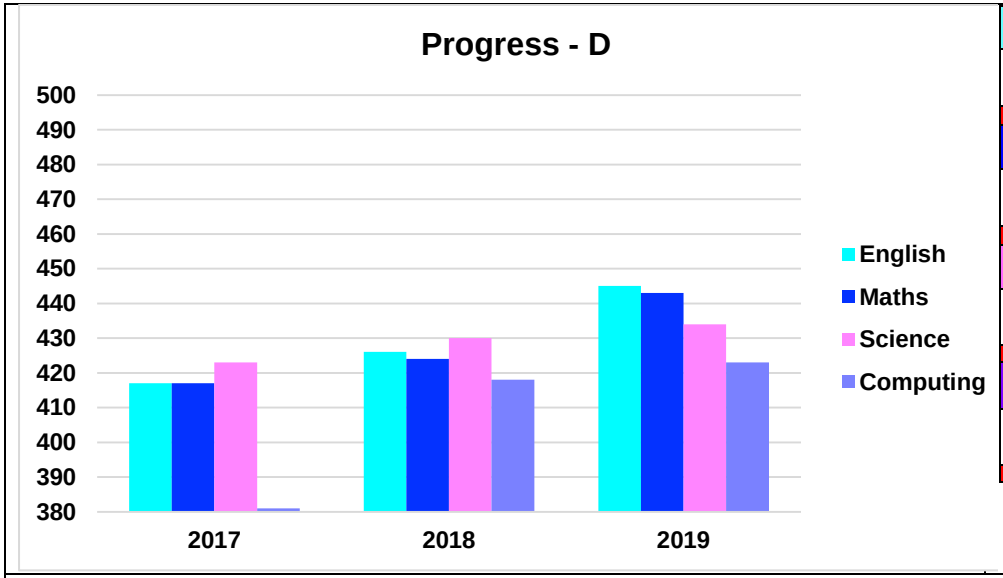
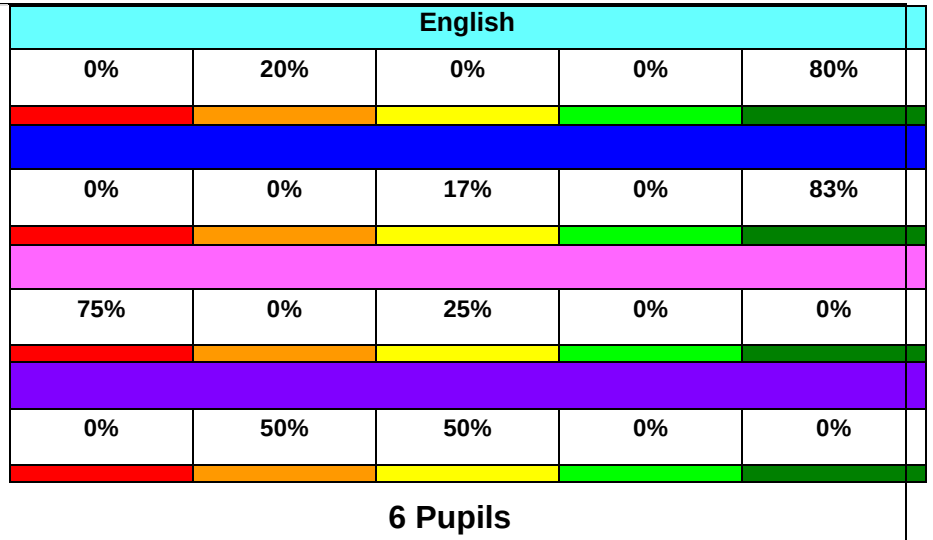
36 Pupils

Percy Hedley School: Data Dashboard 2017 - 2019

Of 36 pupils working within iASEND Stage N, 95% met or exceeded the target of at least 12% progress overall in at least one subject.

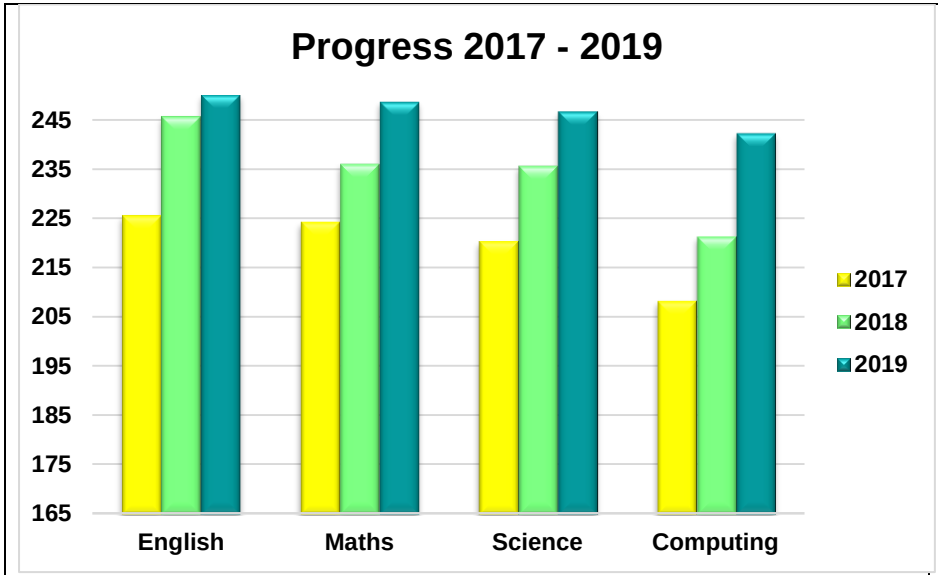


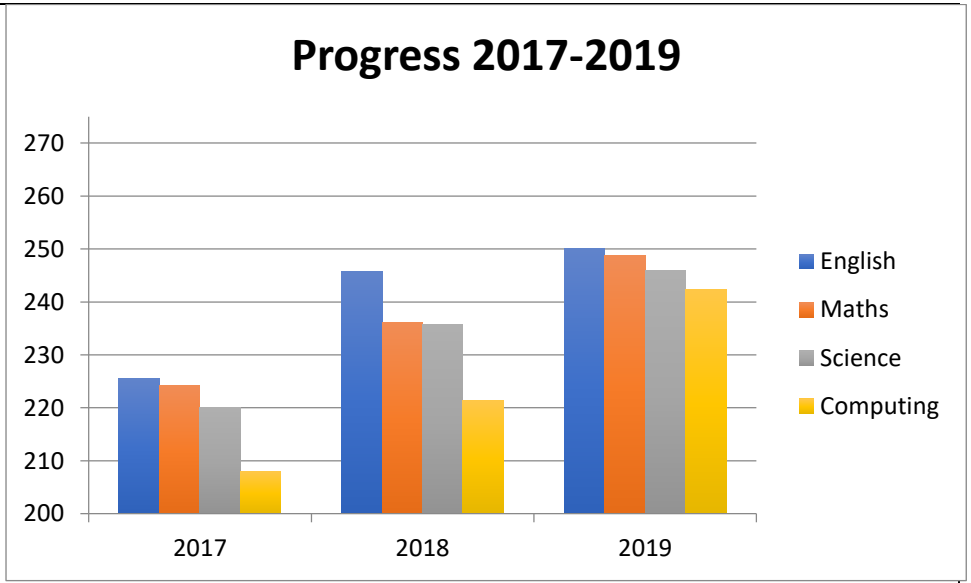


Of 6 pupils working within iASEND Stage D, 100% met or exceeded the target of at least 15% progress overall in at least one subject.

Targets and aspirational targets were set for all pupils. The percentage of pupils achieving these targets was tracked and analysed. Findings indicate that attainment overall from 2018 to 2019 increased by 14.5% compared to an increase of 6.1% in 2017/18.

Percy Hedley School: Data Dashboard 2017 - 2019





The figure above illustrates the outstanding progress made by pupils across school in each subject area from 2017 to 2019.	The figure above illustrates the outstanding progress made by pupils across school in each year from 2017 to 2019 in core subject areas.
