10th March 2022

Dear Parents/Carers

Mothers Day sale: Friday 25th March 2022

Cost: £3

Help needed: Donations of gifts

This year we will be reintroducing the Mother's Day sale which has had to be cancelled for the past couple of years due to Covid.

For anyone new to school this is kind of like a big tombola/Jumble Sale where the students can bring in £3 and buy a present for their mum for Mother's Day. We will try to provide gift tags which can be personalised in class and some sort of wrapping paper so that the present remains a surprise.

Anyone who would like to donate a gift or unwanted Christmas present it would be greatly appreciated as without them we can't have the sale.

I really like being able to choose and buy my mum a present and I know my friends do too, so I hope you can help make this happen

Can all donations be sent to Claire in KS4 and she will store them until the sale on Friday 26th March. More details will follow nearer the time.

Thank you

Harvey

(and Claire)
