We are really excited to share with you the information for this years disability triathlon. It has not been possible to put the event on for the last two years, so we want this one to be the best yet!

Places for the event are limited and filling up fast, so please enter soon to avoid disappointment. The event caters for all disabilities from learning to physical, if you have any questions please feel free to get in touch.

Here is what one mum had to say about the event:

'This event is unreal and such an amazing uplifting day for all the kids/young adults! My daughter has taken part in them all from the start and has loved every second of them. There's no pressure on them at all, just an all round feel good day where they all leave with the biggest smiles while feeling so proud of themselves ❤️ xxx'
