

Google Extensions #1

Google Chrome extensions are programs that can be installed into Chrome in order to change the browser's functionality. This includes adding new features to Chrome or modifying the existing behavior of the program itself to make it more convenient for the user. You can find extensions by going to the chrome webstore: <https://chrome.google.com/webstore/category/extensions>

We are running CPD sessions on three of our favourite extensions for remote learning, **Mote**, **Kami** and **Teacher Made**. The sessions will all be hosted on Google Meet and should last about 40 minutes. To sign up for one of these sessions please contact julia.small@ictinschools.org

 <p>Mote is the first Chrome extension that lets you easily add voice comments and feedback to shared documents and assignments. Mote is integrated into Google Docs, Slides and Sheets, as well as Google Classroom, for easy recording and playback.</p> <p>Dates:</p> <p>Tuesday 2nd February 10am</p> <p>Wednesday 3rd February 4pm</p> <p>Thursday 4th February 2pm</p>	 <p>Kami is a leading digital classroom app built to transform any existing document into an interactive learning experience. Join millions of educators using Kami to improve engagement and collaboration while teaching in the classroom, or online.</p> <p>Dates:</p> <p>Tuesday 2nd February 4pm</p> <p>Wednesday 3rd February 10am</p> <p>Friday 5th February 2pm</p>	 <p>TeacherMade was made by teachers, for teachers. Using the app, you can quickly remake and assign your favorite classroom papers as online, digital activities for your students. Whether students are in the building or working from home, you know they'll be getting the best instructional materials—<i>because they're yours.</i></p> <p>Dates:</p> <p>Tuesday 2nd February 2pm</p> <p>Wednesday 3rd February 2pm</p> <p>Thursday 4th February 10am</p>
