Subject Leads CPD AUTUMN 2021

ICT in SCHOOLS

E Safety Update

In an ever increasing digital age keeping electronic systems safe from Cyber Criminals is essential.
This session is aimed at refreshing staff on the risks and the procedures to implement to keep themselves and schools safe

Find out how to:

- Put procedures and policies in place to protect electronic systems
- Identify potential types of Cyber crime and be aware of how to minimise risks

Course objectives:

- To understand what the risks are to organisations and yourself
- To signpost resources for teaching students and educating parents
- To discuss policy and good practice

Expected impact on schools - Participants will:

- Know what the risks are to self and the organisation
- To be aware of resources and where to find them

Who is this course for?
Primary Computing Leads, Heads or SLT, DSLs

When:

Thursday 30th September 2021	**16.00 - 17.0**
Tuesday 5th October 2021	**16.00 - 17.0**

Primary Computing Subject Leads Network Meeting

Join us for our termly update meeting. Here we will look at new and exciting tech developments, discuss what the future of CPD will look like and how we can support you in teaching computing.

We hope that we can invite you back in to The Word for these meetings and finally get that cup of coffee in person and have a chance to network.

Course objectives:

- To raise awareness of current issues surrounding access to technology
- To discuss how ICT in Schools team can support your school development of Computing
- To discuss the future of CPD
- To signpost resources

Expected impact on schools - Participants will:

- Be aware of resources and where to find them
- Be aware of the support offered by ICT in Schools
- Develop ideas for using in teaching and learning

Who is this course for?
Primary Computing Leads

When:

Tuesday 21st September 2021	**16.00 - 17.00**
Thursday 23rd September 2021	**16.00 - 17.00**

All sessions will take place in OpenZone at The Word <u>and</u> online via Google Meet. If you are interested in taking part in any of our CPD sessions, please email: julia.small@ictinschools.org
