A NEW OPERA BASED ON THE POEM BY MICHAEL ROSEN

AVAILABLE ON ETO AT HOME FROM 18TH MAY

Based on a poem by Michael Rosen, The Firebird is a new puppet opera composed by **Noah Mosley** and co-produced by **English Touring Opera** and **Little Angel Theatre**.

The film brings together English Touring Opera's singers, instrumentalists with the expert puppeteers of the Little Angel Theatre in a unique, atmospheric, and enthralling children's tale.

The film is directed by **Valentina Ceschi** and designed by **Little Angel Theatre's Ellie Mills**.

PLOT SYNOPSIS

Ivan is a young and foolish Prince who thinks only of himself. He captures The Firebird, only to set her free when he feels a sadness in his heart. She gives him a feather that will help him if he needs it...

Delve into the enchanted castle where Ivan will meet the free-spirited Princess and the menacing and cold-hearted King!

ABOUT ETO'S CHILDREN SHOWS

Creating work for children is at the heart of what English Touring Opera does as an organisation. We bring specially-created participatory children's operas to over 8,000 children all around the country, performing in schools, libraries, theatres and concert halls.

As part of our efforts to bring our work to as many people as we can, we have created a series of new operas for children to experience from home. *The Firebird* is the latest instalment in this series.
