

# St Mary's Catholic School

Benton Park Road, Newcastle (midway between South Gosforth and Longbenton Metro)

**"Your school is exceptional and significant elements of your work are exemplary"**

*Ofsted's Chief Inspector of Schools*

## **Sixth Form Open Evening** **Thursday 10<sup>th</sup> December 2015 at 6.00pm**

St Mary's is a high achieving 11-18 school, one of the top performing in the country, graded Outstanding by Ofsted. We welcome students to Sixth Form from our Year 11 but also from across the north-east. Key features of St Mary's Sixth Form include:-

- An outstanding ethos, characterised by the pursuit of excellence in all that we do for our students, in a caring environment which nurtures individuals' gifts and talents.
- Outstanding academic results. In 2015, 32% of A level grades were A\*-A, 83% A\*-C and 100% A\*-E.
- Smaller than average A level class sizes, allowing for greater emphasis on individualised tuition from our expert, specialist teachers, to maximise student achievement.
- Broad range of academic courses and extra-curricular opportunities for personal development in sport, music, arts and sciences, as well as through local, national and international visits.
- Excellent support for progression to universities including Oxbridge and Russell Group. Virtually all of our university applicants are successfully placed in their first choice institutions.
- Outstanding facilities for all subjects including superb specialist rooms for Sciences, Technology, Performing Arts, Sport, as well as for all traditional subjects. All Sixth Formers have free membership and use of our Fitness Suite and Sports Facilities.

**Our Open Evening begins with a presentation at 6.00pm, from the Headteacher, Head of Sixth Form and current students, followed by the opportunity to meet subject teachers and students representing all departments.**

Please contact Mr D McKeating, Head of Sixth Form for further details or see the website [www.stmarysnewcastle.co.uk](http://www.stmarysnewcastle.co.uk) for more information.
