Careers Guidance

French is a highly valued A Level and choosing it will increase your chances of gaining a place at a leading University. Languages combine well with virtually any subject for further study: The range of combined degrees and further education courses involving a language is limitless – from Accountancy to Theatre Studies. Many Universities even offer funding for students to continue or extend their language knowledge by travelling or working abroad during the holidays. Many universities also offer the opportunity to take an ERASMUS year whereby students can study their degree subject in another country thereby developing and practising their language skills at the same time.
