- Create 4 drawings from your photographs using only tone.

JOURNEY

- A physical journey from a particular destination to another (i.e. the mundane drive between your home and school, seeing beauty in the ordinary);
- The transformational journey from old to new (old structures demolished for something new / old technology making way for new);
- A journey through time, such as a person aging / physical changes, or a record of memorable occasions in a life;
- Childhood to adulthood;
- Getting through an emotional circumstance;
- A miniature journey (walking down your garden path with viewpoints at your feet; brushing your teeth in the morning, the journey from arrival at the sink to bright white smile);
- Achieving a goal;
- An academic journey, through school (ambition / academic goals / failure / success / test papers / assignments)
- On a bus, plane or train;
- Memorabilia related to a particular journey (i.e. an overseas trip);
- A still life made from tickets, maps, timetables;
- The journey of an animal;
- The journey of an insect walking a short distance over interesting surfaces;
- A journey you will never forget.
