

SUMMER WORK

Children's Play, Learning and Development

Abstract

This work will help to prepare you for Y12 studies in Children's Play, Learning and Development.

It must be submitted to Mrs. Rutherford on your first day of term.
It will be assessed by your teacher and written feedback will be provided.

Summer 2018

Summer Work

Children's Play, Learning and Development

Unit 1 Children's Development

Child development is a large area of study. It covers the way children gain skills and abilities and how they learn.

In preparation for this you must:

Task 1: Complete the glossary (page 3)

Task 2: Case Study

Emily is 3 years old, she attends a nursery five mornings per week. She is a happy child and is developing as expected for a child of her age.

Write a 2-3 side A4 report that explains:

- What stages of physical development should she have reached by the age of 3 years?
- What should the nursery do to help her physical development?
- What should the nursery do to help her intellectual development (learn new things)?

**Ensure you evidence where you have sourced your information from.*
