## Careers Guidance

Students who wish to pursue a career in design will be able to structure their own personal portfolio which will be essential for interview for any design course. A lot of students choose to do a 1-year foundation course in art after A-Level to experience all art and design areas and some degree courses specify this as a requirement for entry on to courses so students will need to check entry requirements early. Other students will apply directly for degree courses (e.g. Architecture, Fashion, Graphic design, 3D Design, Transport Design).
