Dear Parent or Carer,

Re: GCSE Science Revision Guides

Your son or daughter's Combined Science examinations are scheduled for summer 2019. In order for them to be fully prepared for these examinations, it is strongly recommended that they make use of the revision guides, the examination practice books and the revision cards produced by CGP.

Students will find the revision guides very useful in helping them to understand key scientific concepts. Students can use the examination practice books to answer questions similar to the questions found in the GCSE assessments. Students can use the revision cards to test their own subject knowledge.

If you would like to purchase any of these resources through the school, which is available at a lower price than the RRP, please fill in and return the reply slip below to your science teacher before **Friday 11th January 2019**. Payment should be made at reception. Your child will then be issued with a receipt, which can then be passed on to the Science Department.

If you have any queries regarding this matter, please do not hesistate to contact me.
Many thanks for your continued support.

Yours faithfully,

Mr J Turnbull
Head of Science

Student Name: ……………………………………………………………………………………………………… Science Class: ………….
I wish to purchase….
Title: New Grade 9-1 GCSE Combined Science: AQA Revision Guide with Online Edition - Foundation
Author: CGP
ISBN: 978 1 78294 559 8
