November 2018

I am delighted to welcome you to St Mary's first Shine Bulletin. We will be sharing this celebration of St Mary's student achievements with you every month during the academic year. It has been absolutely wonderful to read about so many of the fantastic accomplishments of our students across such an array of activities, both within school and outside of school. As you will read, this includes contributions to the spiritual life of the school, great efforts within in Sport, Music and Drama, commendable efforts within a range of subject lessons and excellent fundraising for charitable causes.

It is superb to see that so many of our students are making the most of their God-given gifts and talents and we know that this bulletin only includes a very small selection of the many achievements of our students during the first half-term. We look forward to celebrating many more of our students' successes in the months to come. Thank you to all of our students and staff for their hard work and efforts since we returned in September. We really are very blessed at St Mary's to have such a tremendous student and staff body.

Students in Y11 English Language have all delivered speeches as part of their GCSE Spoken Language Endorsement in English. They spoke passionately on a such a diverse number of topics, ranging from teenage mental health to the history of Jazz music! A number of students achieved distinctions for their speeches, and there were particularly exceptional performances from Isobel Guthrie, Gabriella Nagy, Eleanor Lincoln, Grace Taylor, Pawan Martin and John Carr.
