| Careers Guidance | <p>History is one of the most popular A-level subjects in the country, attracting students studying a wide range of other subjects. Many of these students enjoy the subject so much they eventually choose a history-related degree course. Others go on to careers in Law, Politics, Sociology, Psychology, Journalism, Anthropology, Architecture, Marketing, Accountancy and PR.</p> <p>The skills you use in A-level History are valuable for prospective employers or students. Evaluation, analysis and forming judgements are sophisticated and high-order skills which impress employers and higher education establishments across the board. History A-level is well-respected and an excellent choice for any student.</p> |
