Newcastle Hospitals Day (careers in the NHS)

- Find out about a career in the NHS
- Over 40 different jobs to find out about
- Your future starts here!!
- Saturday 7th March
- 10am to 1pm
- New Education Centre, RVI
- www.careers.nuth.nhs.uk

VetCam 2020 - Introduction to Veterinary Medicine at Cambridge University

- Monday 6th, Tuesday 7th and Wednesday 8th April 2020
- The programme will include visits to both the pre-clinical and clinical departments to give a taste of the course, insight into life at a Cambridge college, and a chance to meet staff and current students.
- Places will be limited to 120 on first-come-first-served basis
- only likely A/A*-grade candidates should attend
- Please note that Chemistry A level (or equivalent) is mandatory, and we strongly recommend two other science subjects, normally Biology, Physics or Maths.
- (For information on entry requirements for different examination systems, please see www.undergraduate.study.cam.ac.uk/applying/entrance-requirements).

- To view a provisional programme for the event and for more information, please go to www.vet.cam.ac.uk/study/vet/vetcam.
- The 2020 course fee will be £240 for the all-inclusive two-and-a-half-day course; this fee covers all costs whilst attendees are in Cambridge.
- In addition, we are offering a number of bursaries, which will cover the course fee and reasonable travel costs to and from Cambridge. We particularly encourage applications from students from disadvantaged and under-represented backgrounds attending state-sector schools and colleges. Further details about eligibility for the bursaries are detailed at www.vet.cam.ac.uk/study/vet/vetcam - but if you need to discuss this further, please contact Rachel Worsley at rw351@cam.ac.uk
- The course can be booked and paid for using a debit or credit card by following the link at www.vet.cam.ac.uk/study/vet/vetcam

Work Experience with PriceWaterhouseCoopers

- PwC: Paid Business Insight Week at Global Professional Services Firm (August 2020).

Opportunities at Oxford University 2020

University Year 12 Study Days

University College, Oxford have a programme of Year 12 subject study days taking place in the spring and summer Terms. These are planned as follows:

- Physical Sciences Study Day – Friday 24 January (applications now open)
- Mathematical Sciences Study Day – Thursday 13 February (applications now open)
- Politics/Law/History Study Day* - Tuesday 18 February (applications now open)
- English and History Study Day - Friday 21 February (applications now open)
- Medical Science Study Day – Friday 1 May (application process coming soon)

*Please note, our Politics, Law and History Study Day is specifically for Year 12 students from the UK of Black African, Caribbean or of Mixed Heritage of either Black African or Caribbean heritage.

- The application processes run separately for each subject-based study day.
- Students attend the day individually.
- To apply students must submit an application and a teacher from their school must support this by submitting a teachers' approval form. Please see more details about Univ's 2020 Year 12 study days, along with provisional programmes and links to the application forms on Univ's website.
- Please note: Help towards travel expenses for these days may be available for some students who otherwise would not be able to attend. This is allocated on a case-by-case basis, for example for students eligible for free school meals.
- Please contact the Schools Liaison and Access Officer, Nelli Chamings-Manley, with any queries T: 01865 286565 E: access@univ.ox.ac.uk

Upcoming Interview at Oxford?

Listen to the new UAO podcast, or find out more information about what to expect online: <http://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/guide/interviews>

If you have students with an upcoming interview in Oxford (or Cambridge!) and need any further support or guidance, please do get in contact: outreach@st-annes.ox.ac.uk – and good luck to all of your candidates!

UNIQ Residentials – Spring or Summer

The UNIQ Residentials are a fantastic way for Year 12 students come to Oxford for five days, stay in a college, attend an academic programme and take part in social activities in the evenings – all for free. Students will get first-hand experience of life at university, meet like-minded people and gain deeper understanding of a subject that interests them.

- Academic Programme

During UNIQ students will be taught by Oxford academics, attend lectures and labs, and use departmental facilities – just like a real undergraduate! In addition to lectures students might be asked to prepare some independent work for a tutorial at the end of the week where they will go through the topic in detail, either individually with a tutor or in a small group.

The UNIQ academic programmes are demanding, but they are also fun; students can look at their favourite subject in new and engaging ways. The UNIQ courses give students an insight into what studying at degree level, and at Oxford, is really like.

We run courses on over 30 subjects, so there's plenty to choose from and almost certainly something to suit a variety of interests. Have a look at the courses page for more information.

- **Admissions advice**

We understand that aiming high and applying to top universities like Oxford can seem a little daunting. There will be a range of dedicated sessions throughout the week providing information on every aspect of the application process.

- **Social Programme**

It's not all hard work! Outside of the academic timetable there will be free time or opportunities to take part in a range of social activities. In the past there have been stand-up comedy evenings, sports and games in the park, college tours, city-wide scavenger hunts and more!

There are two strands to UNIQ this year – the in-person spring or summer schools and UNIQ Digital, which is an online platform.

Applications are now open and close on the 27th January 2020 at 11pm. If you have any questions, please get in contact: outreach@st-annes.ox.ac.uk

NE1CAN Calendar (various opportunities)

For further information or to book contact Cath Tucker, NE1 Can Careers Manager, catherine.tucker@newcastlene1ltd.com 0191 2113950

Work Experience placements for 2020 at HSBC UK

The Work Experience programme at HSBC UK offers a five-day shadowing experience to students in the later years of full-time secondary education, sixth form or college. The programme has been set up with the idea to help young people from different social-economic backgrounds gain an insight into a professional environment, as well as the banking industry.

Specific details regarding each opportunity and the option to submit an application can be found here [https://hsbc.taleo.net/careersection/external/moresearch.ftl?lang=en_GB&location=5536170451648&keyword="HSBCWE2020%22&Location=Europe](https://hsbc.taleo.net/careersection/external/moresearch.ftl?lang=en_GB&location=5536170451648&keyword=)

The application process will entail some online questions and, if successful, a telephone interview. To help prepare for this, we recommend checking out our Application Hints and Tips page here: <http://www.hsbc.com/careers/application-hints-and-tips> A telephone interview will be arranged with the student during the office hours (Monday to Friday), HSBC UK would request the education providers/authorities to allow the student to attend this interview during school hours where possible.

Our placements will be spread out across the UK and students can list their location preferences when applying, but please note that only one application should be submitted and we cannot make any guarantees on placing a student in their preferred location as this is subject to availability.

The closing date for applications is the **16th February 2020**, however we do offer these on a rolling basis and do reserve the right to close some adverts early if we fill all our spaces. Places are limited so we recommend students apply as early as possible to avoid disappointment.

Life in the Creative Fast Lane with RAmMarketing

- Thursday 30/01/2020 09:30 – 12:00
- RAmarketing, 5 Carlial Square, Sunco House, Newcastle, NE1 6UF

- For further information or to book contact Cath Tucker, NE1 Can Careers Manager, catherine.tucker@newcastlene1ltd.com 0191 2113950

More Opportunities with the NHS

Project Choice

We work with the [Project Choice](#) team to ensure that young people with disabilities, learning disabilities and difficulties, and/or autism who attend mainstream schools are aware of the supported internships available in the NHS. If you would like more information, please get in touch with the team.

Work Experience

Many of our local NHS employers offer wonderful programmes of work experience, but we often receive feedback from schools and young people that they struggle to know who to contact. We are currently developing a Work Experience webportal to link young people with employers' application processes. We hope to develop virtual tours to allow exposure to different NHS environments which can be accessed both at home and in the classroom.

Information on GP work experience has recently moved to the [Made in HEENE](#) site.

Please direct any queries to Careers.NE@hee.nhs.uk.
