

How Can You Revise Physics?

St. Mary's Catholic School Science Department

There are a number of ways to revise KS5 physics outside of lessons.

1. Apps

Use apps found on your smartphone to go over key ideas in physics and test yourself.

Apps you can download, and use include...

Gojimo
Quizlet
Explain Science
Seneca Learning
Scholastic
Learners Box
APlus
Open Education
ExamsNet
SnapRevise

All these apps can be downloaded from the appropriate app store.
Some apps may cost money.

2. Websites

Use the following websites focused on the course to review the ideas covered in class and consolidate your understanding on the central principles of science.

StudyWise

<https://studywise.co.uk/a-level-revision/physics/>

A-Level Physics Online

<https://www.alevelphysicsonline.com/>

Physics and Maths Tutor

<https://www.pmtcourses.com/physics-a-level/>

PhysBot

<http://www.physbot.co.uk/>

S-Cool

<https://www.s-cool.co.uk/a-level/physics>

3. Revision Guides/Workbooks

Use the appropriate revision guide for your course to consolidate your notes on the central ideas in each topic.

Companies which produce revision guides/workbooks include...

AQA Physics (by Jim Breithaupt) – This is the school recommended text book.

CGP

Pearson Education

A-Level Physics 4th Edition (by Roger Muncaster)

Hodder Education
