

Year 10 homework on Philosophy.

Complete the following tasks.

Must

- A one page overview on the Design and Cosmological argument. Include key thinkers, explanations, examples and evaluation.
- Answer the following D style question –
(d) “Religious experiences cannot fully prove God’s existence.” Evaluate this statement providing reasons for and against the argument. In your answer you should include
 - Catholic teachings
 - Non-religious teachings
 - Form a justified conclusion.

Should – Provide an overview on a page of A4 of biblical and non-biblical example of visions, religious experiences and miracle.

Could – Begin investigating the Problem of Evil. Research what philosophers have to say on the following question – “How can an all-loving God exist in a world of evil and suffering.” You could look at David Hume, Epicurus and Mackie.
