

The Big Questions!

Look at the list of questions at the bottom of the page. Which do you think are the most important? Write the questions onto the pyramid with the most important question at the top and the least important ones on the bottom. Then in the boxes write down your reason for your choice.

What is the meaning of life?	
What will happen after I die?	
Will I be rich?	
Is there a God?	
Will I have a happy life?	
Are ghosts real?	
What job will I have?	
Why are people unique?	
How did human life on earth start?
