Unit 3 Play and Learning

Dear All

During this time we shall begin to prepare for coursework units that we would usually commence in Y13.

These are exciting units and ones that you will enjoy. The first unit is about play and learning. I would advise you to read the chapter in the text book if you can pg145-186 as background reading.

Then I have added a range of other exciting articles for you to read, highlight and make notes on.

Once this background reading work is complete. Please review the PPT and follow the instructions.

Kind regards
Mrs Rutherford
