What Your Percentage Attendance Means Over One Year

Attend today and achieve tomorrow.

Academic and future success starts with excellent attendance.

There are 175 non-school days in a year. This gives you plenty of time to go on visits, holidays and make other appointments.

Well Done!
Having this high attendance can lead to improved and high achievement which can lead to greater success.

Worrying
Many school days have been missed. This lowers your chance of success compared to other students.

Concerning
Lots of school days have been missed. This significantly lowers your chance of success compared to other students.
