31st October 2022

Dear Parents and Carers,

Re: Sixth Form Student Medical Information

I hope that this letter finds you all safe and well following last week's October half-term holiday. I would like to take this opportunity to thank you for your help and support so far this academic year. We are incredibly grateful for the ongoing support that you have all offered since the start of this academic year.

A key responsibility of the Sixth Form is to provide the best possible care for all of our students. This includes supporting students with medical needs and those who require medication.

In order to ensure that our records are accurate and up to date, could you please complete the following online form (the link is below) and **by Monday 7th November 2022**. If your child does not have any medical needs, please still complete the form to indicate this.

<https://forms.office.com/r/1dWSFYHVpg>

Should your child have any medical needs, a member of the Sixth Form Pastoral Team will contact you in order to arrange a meeting to complete an up to date medical care plan where appropriate.

If you have any queries please do not hesitate to get in touch with myself.

Many thanks as always for your continued support.

Yours faithfully,

Mr J Turnbull
Assistant Headteacher - Sixth Form
