Dear parent/carer,

RE: Parental Survey

We hope that this letter finds you and your family well. Our students have made a brilliant start to the new term, they were so excited to return after the break and they are settling back into school routines well.

As you know, here at St Mary's, we pride ourselves in our work and relationships with parents and carers. We strive to support you and your child in every possible way, so that all students at St Mary's feel safe, happy and valued here at school. Staff at school work tirelessly to ensure that all students are supported academically so that they are able to reach their full potential and make excellent progress. We also provide many extracurricular opportunities for students to develop their gifts and talents and develop holistically.

We recently completed a whole school student survey and we were overwhelmed with the positive feedback from our students, who shared that they feel safe and well supported in school and that they enjoy school.

We would really appreciate your feedback via the completion of the attached 'Parent/Carer Survey'. Your views are important to us, therefore if you could please complete the attached short survey, it would be greatly appreciated. Please click the link, answer each question and then click 'submit'.

The link for the survey is:

Please note that the attached survey is to gather your general feedback, if there is something specific that you would like to discuss regarding your child, as always, please don't hesitate to contact your child's Head of Year.

Finally, thank you again for your ongoing support. Our partnership with parents and carers is hugely important and we are blessed to have such supportive parents. If you do have any queries at all, please do not hesitate to contact us here at school.

Yours sincerely,

Mr McDonald
Assistant Headteacher Pastoral
