Higher and Further Education

Newcastle University

Join the 18,484 undergraduates learning together at Newcastle. It also has overseas campuses in Singapore and Malaysia. The university is a red brick university and a member of the Russell Group, an association of research-intensive UK universities. The university subdivides into three faculties: the Faculty of Humanities and Social Sciences; the Faculty of Medical Sciences; and the Faculty of Science, Agriculture and Engineering. The university offers around 175 full-time undergraduate degree programmes in a wide range of subject areas spanning arts, sciences, engineering, and medicine, together with approximately 340 postgraduate taught and research programmes across a range of disciplines.

Northumbria University

With 31,500 students, Northumbria is one of the largest universities in the country. At Northumbria University their inspirational academics, cutting edge courses, outstanding facilities and extensive partner network means that they can offer exceptional opportunities to learn from the best, enjoy every minute and give your career an edge. Northumbria University is primarily based within City Campus located in Newcastle upon Tyne city centre with other campuses based in Coach Lane, London, and Amsterdam. It is organised into four faculties — Design and Social Sciences, Business and Law, Engineering and Environment and Health and Life Sciences. Northumbria is ranked number one among UK universities in the Times Higher Education's Young Universities Rankings (2020). Northumbria holds the Silver Award in the Teaching Excellence Framework

Sunderland University

Sunderland University has forward-thinking academics, state-of-the-art facilities, and strong links to world-renowned companies, which will provide you with the support you need to embark on your career journey. They are known internationally for the quality of their teaching and their research is classified as 'world-leading' and 'internationally excellent', adding to their growing reputation for academic excellence. Since it gained university status in 1992, it now has campuses in Sunderland, London and Hong Kong, and has about 20,000 students.

Durham University

Durham University is a distinctive university - a residential collegiate university with long traditions and modern values. They seek the highest distinction in research and scholarship and are committed to excellence in all aspects of education and transmission of knowledge. Their research and scholarship affect every continent. They are proud to be an international scholarly community which reflects the ambitions of cultures from around the world. They promote individual participation, providing a rounded education in which students, staff and alumni gain both the academic and the personal skills required to flourish.

The university also owns and manages the Durham World Heritage Site in partnership with Durham Cathedral. The university's ownership of the World Heritage Site includes Durham Castle, Palace Green, and the surrounding buildings including the historic Cosin's Library. It was Sunday Times University of the Year for 2005, and the Times and Sunday Times Sports University of the Year for 2015, and was awarded a Queen's Anniversary Prize in 2018.

Newcastle College

Newcastle College is a large further education and higher education college in Newcastle upon Tyne, with more than 16,000 students enrolled each year on a variety of full time, part time, and distance learning. It is the largest further education college in the North East of England and one of the largest in the United Kingdom.

The college provides Further Education, Apprenticeships, and adult courses across 23 subject areas, as well as higher education through Newcastle College University Centre. For more than 20 years Newcastle College has been a leader and pioneer in adult learning. They provide affordable higher education to a diverse population of adult learners.

Lancaster University

Lancaster University is among the best in the UK. A top 15 university in the three major UK league tables, we are also highly ranked in international league tables such as the QS World Rankings. Lancaster University is one of the top 25 most targeted universities by the UK's top graduate employers according to The Graduate Market in 2023 report. Lancaster University is the 7th in the UK for social and environmental sustainability.

Sheffield University

Sheffield University is a world top-100 university renowned for the excellence, impact and distinctiveness of their research-led learning and teaching. Their outstanding performance for excellent teaching and research, as part of a genuinely global community, is consistently confirmed by international independent assessments.

Since 1904, Sheffield University have been helping with the local economy, a goal achieved by partnering with Sheffield businesses and sharing skills and information. The university is one of the original red brick universities and a founding member of the prestigious Russell Group. It is also part of the Worldwide Universities Network, the N8 Group of the eight most research-intensive universities in Northern England and the White Rose University Consortium. Sheffield has been ranked as a top 100 university in the world by QS for the last fifteen years. In 2019, Time Higher Education ranked the University 22nd in Europe for teaching excellence.

ASK – Apprenticeships

Amazing Apprenticeships have supported the Education & Skills Funding Agency, part of the Department for Education, to deliver the ASK programme since 2015. In this time, millions of individuals have been able to access a range of high-quality resources and materials to help them navigate the apprenticeship, traineeship and T Levels landscape. The ASK programme has transformed the careers landscape across England by engaging individuals and wider school and college communities to better understand how amazing apprenticeships are. They continue to work with the Department for Education on this important programme of activity and can continue to support individuals and their families to explore all of their options, and to make informed choices about their futures.

Apprenticeships

York St John University

At York St John University they offer a truly life-changing UK study experience, and they will help you every step of the way. Mixing with students from over 100 countries, you'll enjoy rich classroom discussions and diverse perspectives, get to experience a new culture, and develop a global network of friends. Importantly, you'll realise the benefits of a prestigious British education with a well-established institution that's climbing in the university rankings. With approximately 7,500 students on their York campus, a strong community and inclusive ethos, we deliver a truly international experience.

University of Leeds

A leading research university in one of the UK's most diverse and vibrant cities. You can go further with the University of Leeds. It is a World top-100 University, 5th most targeted UK university by graduate recruiters, 90% of University of Leeds research has a quality rating of "world-leading" or "internationally excellent" and it is a founding member of the prestigious Russell Group. Alongside expert subject knowledge, you'll benefit from strong partnerships with leading companies. You can build experience and networks through work placements, internships and events as well as take advantage of one of the biggest alumni communities of any UK university.

UNIVERSITY OF LEEDS

University of Stirling

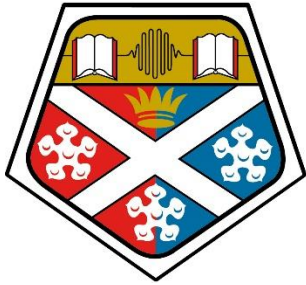

With a rich history of innovation, excellence, and ambition, the University of Stirling values ability, not background, providing our students with an outstanding education that equips them with the skills, experience, and confidence required to achieve their full potential. Stirling is a five-star rated institution for teaching, employability, research, internationalisation and ranks among the top 20 UK universities for overall student satisfaction.

UNIVERSITY of STIRLING

University of Strathclyde

The University of Strathclyde was the first university to win the coveted Times Higher Education University of the Year title twice – 2012 and 2019. We were also recognised as Scottish University of the Year 2020 by The Sunday Times Good University Guide, and were awarded the Queen's Anniversary Prize, the highest national honour awarded to our sector. The University of Strathclyde is a leading international technological university located in the heart of Glasgow - one of the UK's largest cities – and has a vibrant, international community with almost 23,000 students from over 100 countries. For more than 200 years Strathclyde has been delivering academic excellence through world-class research and teaching, providing students with flexible, innovative learning in preparation for their chosen career path.

University of Strathclyde Glasgow

Glasgow Caledonian University

A qualification from GCU prepares you for a successful career with 93% of our graduates in work and/or further study 15 months after graduating (HESA, 2022). GCU offer more than 100 degrees designed to shape your future and help you tackle some of the many global challenges of our time. GCU's main campus is in Glasgow city-centre. A second campus in London is home to the British School of Fashion.

University for the Common Good

The Northern School of Art

In the Northern School of Art, you will find a wide range of studio, workshop, performance, and rehearsal spaces to learn, train and create in; these spaces will become your creative home. Their specialist, industry-standard kit, software, equipment, and spaces are housed in a range of buildings across campus - from heritage listed design studios & labs to purpose-built art & film studios. As a specialist School of Art - they will encourage you to explore and use all the facilities available across the campus – they won't confine you to certain rooms or equipment based on your course.

Tyne Met College/ South Shields Marine School

At Tyne Metropolitan College, they have created a curriculum of superb, specialised part-time and full-time courses that make students the first choice when it comes to the world of work and higher education. Celebrating individuality, diversity and offering equal opportunities to everyone, they give students the skills, support and care they need to reach their end goal. Whether that's helping them transition to college from school or finding the right employment-focused training programme. With their high-quality teaching, state-of-the-art facilities, and collaboration with funding bodies and employers to find opportunities – they are the stepping stone that helps students create positive changes in the world around us.

tyne**metropolitan**college

Sunderland College/ Kirkley Hall

Sunderland College, officially City of Sunderland College, is a further education and higher education college based in Sunderland, North East England. The enrolment includes around 6,300 part-time learners and approximately 4,800 full-time students. The college is a member of the Collab Group of high performing schools. Each of the college's centres has its own Learning Centre where students can have access to networked computers, borrow books from the library, or a quiet place to study. Refectories, cafes, shops and common rooms are all available at each of the campuses. There is also access to the media facilities and libraries of the University of Sunderland

Sunderland College

University of Oxford

The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as early as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. Oxford has educated a wide range of notable alumni, including 30 prime ministers of the United Kingdom and many heads of state and government around the world. As of October 2022, 73 Nobel Prize laureates, 4 Fields Medalists, and 6 Turing Award winners have studied, worked, or held visiting fellowships at the University of Oxford, while its alumni have won 160 Olympic medals. The University of Oxford provides world-class research and education to benefit society on a local, regional, national and global scale.

Whichever of their brands you're working for, it's a brilliant chance to bring yourself to work. They will help you to grow as fast as they do – to channel your energy and ideas into helping solve some of the world's biggest challenges – from cybersecurity to the climate emergency

North East Ambulance Service

The Ambulance Service employ over 3,500 staff in 63 locations and serve a population of 2,600,000 across Northumberland, Tyne & Wear, County Durham, and Tees which is over 3230 square miles. Many people think the job of the ambulance service is to collect patients and take them to hospital, but they do much more! Paramedic skills have developed hugely in recent years, meaning we carry out more treatment at the scene and en-route to hospital.

In addition, we have stalls from professionals in the following fields:

Dentistry

Veterinary Science (Vets)

Midwifery / Nursing

Architect

Social Care

We would like to thank all the volunteers who have shared their expertise with our students and parents.
