Dear Parent or Carer,

Re: Year 11 Parents' Evening: Monday 16th October 2023

I would like to inform you that the Year 11 Parents' Evening will take place on **Monday 16th October 2022 from 2.45pm to 6.00pm**. Following the Year 10 Mock Exams that took place during the summer term, the Year 11 Parents' Evening provides an ideal opportunity for you to speak with subject teachers about your child's progress so far this year. They can update you on how your child has started their final GCSE year and answer any questions that you may have, as well as offer advice and guidance about how to maximise achievement in the coming months.

As always, we would like to see as many parents/carers as possible attending the evening. To enable you to speak to all your child's teachers during the evening, individual meetings will last approximately five minutes. If more time is required, we would, of course, be more than willing to arrange a further meeting at a later date. As indicated above, the scheduled finish time is 6.00pm. It would therefore be advisable that you arrive before 5.00pm, which should allow sufficient time for you to see the relevant members of staff.

There is no appointment system. However, we would like to know in advance which parents/carers will be attending, so that we can prepare fully for the event. Please click on the link below to confirm attendance. This online form should be completed by Wednesday 11th October.

In addition to the Year 11 Parents' Evening, you will receive a written report before the end of the Year 11 academic year, as well regular updates on your child's academic progress.

If you have any queries at all, please do not hesitate to get in touch with me at school.

Thank you very much for your continued support.

Yours sincerely,

Dr Stanton
Assistant Headteacher
