18th July 2024

Dear Parents and Carers,

## **A-Level Results Day: Thursday, 15th August from 8:00 am**

I hope this letter finds you and your family well and looking forward to the summer break. We are excited to welcome back our Year 13 students on A-Level Results Day, Thursday, 15th August. It will be wonderful to see our Year 13 students celebrating their achievements at the end of Key Stage 5 before they embark on the next phase of their lives, whether that be university, employment, apprenticeship, or another further education course.

I am writing to outline the arrangements for A-Level Results Day and explain how students will receive their results.

### **Arrangements for Results Day**

On Thursday, 15th August, students are invited to come to school to collect their results from 8:00 am. We want to provide students the opportunity to receive their results in person and celebrate with their Year 13 friends, teachers, and support staff. Therefore, only students will be allowed inside the school to collect results. Parents, carers, other family members, and friends will not be permitted to enter the school building. After collecting their results, students can take them home to celebrate with their families.

If students prefer to receive their results via email or telephone, or if they wish for someone else to collect their results on their behalf, they should contact Mr. Mellor, Data Manager, at [chris.mellor@st-marys.newcastle.sch.uk](mailto:chris.mellor@st-marys.newcastle.sch.uk), at least seven days before Results Day.

### **Support on Results Day**

On A-Level Results Day, students will have the opportunity to speak with a Sixth Form Leader or another school leader if they need any support, including queries about their next steps. Staff will be available to provide advice and guidance on the UCAS process, confirming enrolment on courses and training programmes, preparing for their next steps, and navigating the clearing process if needed.

If students are unhappy with any of their examination results, we can provide advice about clerical re-checks, reviews of marking, and requesting marked papers. Please contact Mr. Mellor by email for assistance, and we will advise you accordingly. Mr. Mellor will be available between 15th and 30th August. Additional guidance about the post-results service is available on our school website under the 'Students' tab.

We look forward to welcoming students back and celebrating their hard work over the past two years in Sixth Form. It was inspiring to see how well Year 13 applied themselves to their exams, and we eagerly anticipate all they will achieve in the future.

Yours faithfully,

Miss Rossi  
Deputy Headteacher
