Dear Parent/Carer,

Re: Preparing for Year 12 Mock Examinations Virtual Session

I hope this letter finds you well. I want to express my thanks for all of the support you have shown over the course of this academic year as we are now in the summer term.

As I am sure you will be aware, Year 12 is a challenging and important year for your child, and we are already beginning work to support students with their preparations for the upcoming mock examinations in June 2025.

As part of this, I would like to invite parents/carers and students to a virtual information session on **preparing for Year 12 Mock Examinations**. This will take place between 4.00 pm to 4.30 pm on **Wednesday May 14nd 2025**. The online session will cover the logistics of the mock examinations, how the mock examinations are used to prepare for the public examinations next academic year, revision strategies including time management and planning revision along with subject specific advice. You will also have the opportunity to ask any questions you may have about the Year 12 mock examinations at St Mary's and the preparation students must do.

The session will take place remotely via Teams and the link to access the session is below.

Please ensure that during the session your camera and microphone are turned off. There will be an opportunity at the end of the session for any general questions to be asked via the chat facility. If you have any specific questions regarding your child, please contact us via telephone following the session. As this session will take place virtually, it will be recorded and posted on the school website, for any parents/carers who are unable to join at the time.

We will continue to do all that we can to support your child here at school. If you do have any worries, concerns or questions, please do contact us here at school. Thank you for your ongoing help and support.

Kindest regards,

Mr J Turnbull
