

St Mary's Catholic School

Shine

Issue 20

Welcome to the final Shine edition of the academic year. It has been fantastic to read about so many student achievements over the last term. As always, there is a wonderful array of students' God-given gifts and talents celebrated in this edition, with students participating brilliantly in lessons, as well as in the wider life of the school. Teachers and support staff have been so delighted with the progress our students have made this year, our students really are a credit to their families and to St Mary's.

We look forward many lovely activities in school this week, including our wonderful 'End of Year' Masses on Friday. Thank you to our students for all their hard work and great efforts this year, and a huge thank you to our staff team for their excellent work and support as always.

We hope all students, staff and their families have an enjoyable summer break when this comes, and we look forward to welcoming everyone back to school in September. Have a joyful and restful holiday.

Very best wishes, Miss Patterson, Headteacher.

Year 7

Dear Year 7 Students and Families,

As we reach the end of the academic year, I want to take this opportunity to reflect on what has been a truly outstanding first year at St Mary's for our Year 7 students. It has been a joy and a privilege to watch this year group grow in confidence, maturity, and faith since they first walked through our doors last September.

Throughout the year, Year 7 have continued to demonstrate resilience, curiosity, and a strong sense of community. Their commitment to learning and their willingness to support one another have been noticed by staff across the school, and I could not be prouder of the young people they are becoming. From excelling in lessons to shining in sports, clubs, and music, Year 7 have embraced the full life of the school.

During our recent Jubilee Day celebration, Year 7 were outstanding ambassadors for St Mary's during Mass with Bishop Stephen, and an overwhelming number of students volunteered to support our Year 6 Transition Day. Each of these moments has helped to shape Year 7 into a caring, capable, and faith-filled community.

Thank you to all students for your energy, kindness, and hard work this year. You have made your mark on St Mary's and set a high standard for the years ahead.

As I write this, we are preparing for a final week of fun-filled activities, including Sports Day, our End of Year Celebration Mass, and of course, Cinema Day—a very well-deserved treat after a year of hard work!

I would also like to thank you—our parents and carers—for your unwavering support. Your encouragement at home and partnership with the school have played a vital role in your child's success and happiness this year.

Wishing you all a peaceful, safe, and well-deserved summer break. I look forward to welcoming Year 8 in September with the same enthusiasm and sense of purpose they have shown all year.

Miss Henzell
Head of Year 7

Charles Moore
French
Excellent achievement.

Andrea Ayabam, Nahom Habtom, Ruby Stobbart, Joel Chukwu, Margo Trpin & Joe McShane McManemy
Maths
Excellent progress and perseverance.

Emmanuel Saliu & Zoe Johnson
Biology
Amazing work.

Year 8

Congratulations on reaching the end of your second year at St. Mary's — how quickly the time has flown!

I'm delighted to share how proud I am of our Year 8 students, who have consistently shown outstanding dedication, enthusiasm, and commitment in all aspects of school life. Their hard work and positive attitudes have made a meaningful contribution to our school community.

It has been a real privilege to watch this year group grow into such thoughtful, capable young people. I'm immensely proud of them all. It's been heartening to receive so many compliments and positive remarks from staff across the school about Year 8, and it was a joy to celebrate the recent Form Tutor, Subject Champion, and Whole School Awards together.

As the year draws to a close, I hope each student takes time to reflect on their achievements and personal growth. You have truly embraced life at St. Mary's with open arms and open minds, participating in a wide range of opportunities — from the Year 8 retreat to the Emmaus Youth Village and the school production of Les Misérables, to the Jubilee Day mini-retreat with Bishop Stephen, among many others.

Looking ahead, I have no doubt that your transition into Year 9 will be just as impressive. To continue building on your success, remember to stay committed to your studies, engage enthusiastically with the extracurricular opportunities available, and above all, treat others with kindness and respect — always striving to put others first.

Finally, a heartfelt thank you to all Year 8 students for your incredible efforts this year, and to parents and carers for your ongoing support.

Wishing you a wonderful summer filled with fun, rest, and quality time with loved ones. Enjoy and stay safe!

*Mr Gray

Year 9

Year 9, you have brought your third year at St Mary's to a close with real maturity, energy and a growing sense of purpose. It has been an absolute pleasure to witness the many ways in which you continue to flourish both academically and personally. I have been consistently impressed by the feedback received from your Class Teachers and Form Tutors, who speak highly of your positive attitude, focus and determination. Many of you are now demonstrating a real commitment to your studies and beginning to take greater responsibility for your own learning. It is clear that you are striving to meet the high standards expected of you, and the academic progress you are making is a reflection of the effort, resilience and ambition you bring to the classroom each day.

Outside of your lessons, I continue to be impressed by your commitment to the wide range of extra-curricular opportunities available at St Mary's. From sport to the arts, charity work to academic competitions, your enthusiasm and dedication have been outstanding. I would like to extend a sincere thank you to everyone who has taken part in these opportunities. Highlights this year have included successes in football, participation in gymnastics and athletics, ongoing charity fundraising initiatives, and fantastic performances in the school production of Les Misérables. These moments reflect your confidence, creativity, and compassion, and contribute to the positive ethos of our school community.

Perhaps what I am most proud of is the kindness and consideration you continue to show towards one another. Acts such as holding doors open, supporting a classmate, helping a member of staff, or including others in social activities may seem small – but they speak volumes about the type of young people you are becoming. These everyday gestures help build the respectful, inclusive environment we value so highly at St Mary's.

Thank you for all your hard work, your kindness, and the energy you bring to school each day. You have made excellent progress this year, and you should take great pride in everything you have achieved.

I wish you a restful and enjoyable summer break with your family and friends. Stay safe, take time to recharge, and I look forward to seeing you all again in September as you begin your important journey into Year 10.

Year 10

A huge well done to each and every one of you on completing your recent mock GCSE exams. I know how much effort you've put in over the past few weeks—juggling revision, classwork, and everything else life throws your way—and I want you to know that your hard work hasn't gone unnoticed.

Mock exams are a significant milestone, and you've all faced them with impressive focus and determination. That is something to be truly proud of.

I've been genuinely so impressed with your behaviour and conduct this term, and indeed throughout the year. It speaks volumes about your growing maturity and your positive attitude towards school as a whole. You've consistently demonstrated a strong work ethic, kindness towards others, and a willingness to keep moving forward—even when things are tough.

These are the qualities that build true strength and character. They'll carry you far—not just through exams, but well beyond school too.

You've shown your gifts and talents not only through your academic efforts but also through your kindness, teamwork, and the way you support one another. This year group stands out for its unity, and that makes me incredibly proud. Whether it's been on trips to Belgium, along our local coastline, or during your Duke of Edinburgh expeditions, you've represented the school with pride and maturity.

As you look ahead, remember that success isn't defined solely by grades or awards, but by the kind of person you choose to become. Keep being kind. Keep supporting one another. And above all, keep believing in yourselves.

I hope you all have a well-deserved, relaxing summer when it arrives. Take time to recharge, look after yourselves, and come back ready to take on Year 11 with confidence.

I truly believe this will be your year to shine

Excellent effort, attitude
and progress.

Year 11

It's hard to believe that almost 5 years have passed, in what seems like the blink of an eye.

In my lifetime, there have been some really proud moments, getting married, the births of my children, their academic and personal achievements, etc. Being your Head of Year for 5 years is up there with some of my proudest moments.

I've really enjoyed watching you achieve personal success, overcoming real challenges, navigating your way through difficult situations, in and out of school. What has given me particular pleasure is watching how you have learned from past experiences and challenged your energy positively into succeeding in school. That growing maturity and learning to make good decisions is a quality that will carry you a long way in life. It will also ensure that, when the summer GCSE results are known, you will be well placed to follow the career options of your choice.

You have made such a positive contribution to the life of St Mary's School, whether that is part of a sports team, on stage and behind the scenes in school productions, part of the student leadership team, as involved members of your Form Classes contributing to the spiritual life of the school, including raising funds for charity and playing an active role in numerous fayres.

To those returning to Sixth Form next year, don't forget to say hello and let me know how things are going. For those moving on to pastures new, I wish you all the success and happiness in the world. I believe that, by attending St Mary's, you've seen good examples of how to make a positive impact to school and society and I know you'll succeed.

I'd like to extend my thanks to all your carers and parents. We are extremely lucky to have such supportive parents, who want the best for you and the school and who value the importance of a good education.

And finally, it was great, though personally very difficult, to see you all at the Leavers' Liturgy and Assembly in School and then at the Prom at the Crowne Plaza Hotel. You all looked amazing and your conduct was exemplary. I'm sure this was a really proud moment for you all and your families.

Best wishes to you all.

*Mr Boyle
Head of Year 11*

Sixth Form – Year 12

The first year of Sixth Form has flown by and Year 12 have demonstrated what fantastic things they can achieve already. Their hard work, determination and charitable nature has been outstanding and I cannot wait to see what further things our Year Group will achieve in Year 13.

The amount of enrichment hours Year 12 Students have logged is commendable and range in activities from helping to mentor students in the main school, participating in charity events and aiding in the running of extra-curricular clubs. This has resulted in Year 12 being exemplary role models to the rest of the school community.

On top of this, Year 12 have begun to prepare for their examinations next year and have shown their drive to succeed by independently revising in the Sixth Form Area and completing their first set of mock examinations. When they receive their mock examinations, I am sure their results will reflect the hours of revision they have dedicated over the past couple of months.

Year 12 are also starting to look towards the future and think of life beyond St Mary's. It is exciting to hear what their aspirations and plans for the future are, whether it be university, an apprenticeship or employment. Year 12 have attended a great deal of university trips, external speaker talks and employer fayres to help them make informed decisions about their next steps beyond Sixth Form. I look forward to helping them with their post-Sixth Form applications and seeing the many different, exciting journeys they will be forging.

*Mrs Francis
Head of Year 12*

Emily Holburn
12T

Excellent attitude, effort and attainment in Product Design throughout this year. You should be very proud of how hard you have worked and what you have achieved

Ella Morris
English
Superb attitude to work.

Freddie Welsh, Artur Piecuch & Ruby Rose Colver
Geography
Top scoring students this year

Jacob Houghton & Ruth Watson-McKenna
Biology
Excellent effort.

Romarc Azana & Ellie Burrows
Biology
Amazing work.

Year 12 Geographers
Geography
Good humour, hard work, excellent participation, loving Geography. Well done all of you!

Vesta Kausilaite & Lukas Kist
Chemistry
Amazing classwork.

Mariam Ahmed
Child Development

Their consistent progress in every lesson is a testament to their hard work and growing confidence - keep it up!

Aimee Philips
Health & Social Care
Consistent independent research to help her achieve high quality coursework.

Hannah Craig

Sociology
She has shown great maturity and a real willingness to improve her work using feedback to guide her. Excellent effort Hannah!

Elisa Cassar-Parnis & Sofia Becerra Mugica
Physics
Excellent effort.

Alisha Rogerson
Health & Social Care
Class contributions and completion of Unit 7 coursework

Vincenzo Fazio
12T
Appointed to the school leadership committee.

Jacob Houghton
Sociology
A very determined effort with his studies. Well done

Artur Peicuch

DT

Making truly outstanding revision resources for the group to share.
Selfless stewardship

Olivia Berry

English

Outstanding achievements and attitude to work.

Lily Middleton

Psychology

Excellent participation and a strong enthusiasm.

Ralu MingStones

Sociology

An excellent consistent effort in all tasks to help her to prepare for her mock examinations. Excellent work Ralu!

Finnley Brown, Ellie Burrows,
Cellina Guan & Arman Nejati

Lily Yang
Chemistry

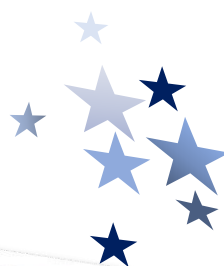

Great independent study.

Adeline Bourgenot-Lewis

Child Development

A thoughtful contributor who asks insightful questions and adds real value to class discussions - great work.

Luciara Baptista

Chemistry

Excellent chemistry practical work.

Harpreet Cheema
12T
Appointed as lead of
the Diversity and
Inclusion Committee

Lily Yang, Mico Manso
& Joshua Shields
Physics
Great achievement.

Adriana Calderon-Deevy
& Johann Arellano
Chemistry
Excellent effort.

Avin Anish
Health & Social Care
Consistent class
contributions to
discussions and a
great start in his
unit 5 coursework

Freddie Welsh
Geography
Excellent progress,
determination with
IT.

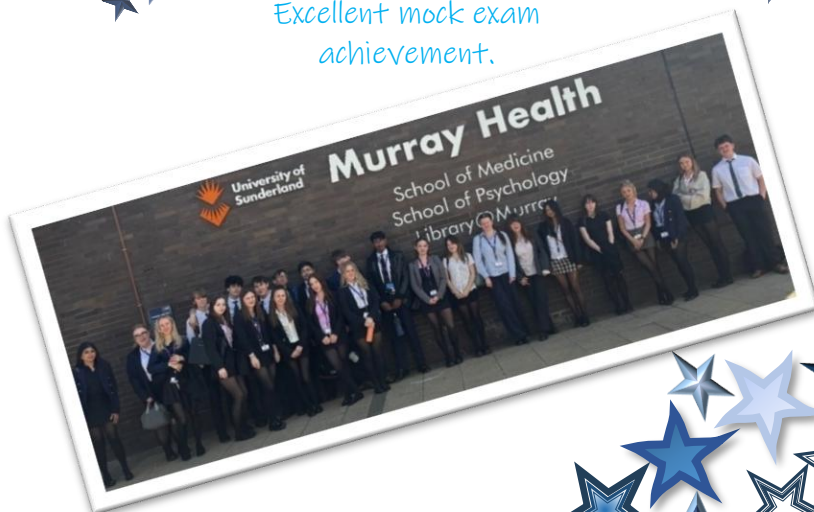

Ollie Cass, Hyunwoo Lee, Romarc
Azana, Mico Manso, Annie Middleton,
Jasmija Mukuntharaja, Artur Piecuch,
Grace Smith, Ciaran Vizcarra & Finnley
Brown
Maths

High levels of participation, resilience and
enthusiasm in all lessons.

Ruth Watson-
Mckenna, Annabel
Mostyn & Amelia Lee
Psychology
Excellent mock exam
achievement.

Jay Ewing
Sociology
A very determined
effort with his
studies. Well done Jay!

Sixth Form – Year 13

The final term for Y13 has been an incredibly fast and academically challenging term. All the hours of hard work will soon be paying off when our Year 13 students are moving on to either university, apprenticeships or employment.

In the last few weeks, we had the pleasure of being together for the Y13 Leaver's Celebration and the Y13 Prom. Both events were fantastic occasions full of joy, laughter and reflection. It could not think of a more lovely way to celebrate Y13's time here- of course finished off with a performance by our very own M.D.

Year 13 have built friendships that will last far beyond the classroom and developed skills that will carry them into the next chapter of their lives. Though it's time to say goodbye to familiar corridors and faces, they leave with gratitude, pride, and excitement for what comes next. Here's to the future—whatever it may hold.

*Head of Year 13
Miss Durham*
