

Alumni

Even after a student's time at St Mary's Sixth Form has come to an end, our support does not stop. When students leave, they are invited to join the St Mary's Alumni Association, which helps them stay connected to the school community. This allows former students to receive our regular newsletters, keep up to date with school life and contact us if they need advice, help or guidance.

We regularly support alumni who wish to apply for higher education later in life or who need references when applying for jobs or training opportunities.

We are proud to have an active network of former students who return to St Mary's to deliver enrichment sessions, talks and workshops for our current Sixth Formers, sharing their experiences of university, apprenticeships and employment.

We also enjoy celebrating their achievements by sharing success stories of alumni who have gone on to achieve great things in the years after St Mary's, providing inspiration and role models for future generations.

St Mary's Sixth Form

Shining together in faith, joy and love
