

Student Leadership Team

Sixth Form students are strongly encouraged to develop their leadership skills by taking on key roles and responsibilities within the school. Our Sixth Form Student Leadership Team is a visible and respected group whose members play an active part in a wide range of school events and are trusted to help shape and improve Sixth Form life.

Students are invited to apply for a position on the Leadership Team in Year 12 and, if successful, they carry out their duties until the point at which they need to focus fully on their final examinations in Year 13. This structure ensures that students can make a meaningful contribution while still prioritising their academic progress. The Leadership Team provides students with an opportunity to take an active role in the day-to-day life of the Sixth Form, while developing confidence, communication and teamwork.

Each student takes on a specific area of responsibility, such as equality and diversity, academic support, mental health, the environment, spirituality or extra-curricular activities, allowing them to lead projects that reflect their interests and values.
